COMPUTER BASED TRAINING MATERIALS

SECTION 1: IFB PROCEDURES**1.1 Purpose**

The purpose of this Invitation for Bids (IFB) is to establish a statewide contract for the purchase of computer based training (CBT) courses, materials and related services by Authorized Users¹.

For purposes of this solicitation, CBT offerings are divided into two (2) course categories,

- o Information Technology (IT) Professional Development,
- o Desktop Applications/End User Computing.

The Department of Information Technology (DIT) intends to make multiple contract awards in each category, up to 5 awards per category. The first award in a category shall be to the responsive and responsible bidder with the lowest evaluated cost, and thereafter bids will be ordered in ascending order, by evaluated cost, by responsive and responsible bidder. After the first bid is selected for award, additional contracts may be awarded if the courses offered by the bid under review are determined to add course offering topic areas, content or value to those bid offerings already selected for award. The Commonwealth, at its sole discretion, will make this determination. Additionally, services in support of or related to the courses offered by the bidder may also be awarded. A bidder may submit a bid offer in one or both categories.

Contract usage or purchase volume is uncertain. An award does not guarantee any purchase by a Commonwealth of Virginia Authorized User. The resulting contract(s) shall be Indefinite Delivery, Indefinite Quantity type contracts (IDIQ).

1.2 Scope

This document contains the instructions governing the bid offer being submitted and the material and format in which bid offers are to be structured. Also included are mandatory contractual terms and conditions.

1.2.1 GOVERNING DOCUMENTS

The governing documents for this solicitation shall be only the most recently dated Adobe PDF and other file(s) as issued and published on the ASD website at: <http://asd.state.va.us>. These files include the IFB 2001-22 solicitation document and MS Excel spreadsheet file for use in submitting the pricing and other data, as well as any and all appendices, attachments, answers to vendor questions, amendments and other pertinent documents if and as appropriate.

¹ Any state agency, institution of higher education, locality or local school division, political subdivision or other public body as defined in the Code of Virginia, §11.37.

COMPUTER BASED TRAINING MATERIALS

1.3 Pre-Bid Conference

None.

1.4 Vendor Understanding of Requirements

It is the Bidder's responsibility to inquire about and clarify any requirement of this IFB that is not clearly understood by the Bidder. All verbal questions are discouraged, as verbal answers provided are non-binding to this solicitation. The Commonwealth will not be bound by any verbal responses to questions. All inquiries concerning this IFB should be submitted in writing to:

Mr. John Tackley
Department of Information Technology
110 South 7th Street - Lobby Floor
Richmond, Virginia 23219

All written inquiries must be received by the Issuing Office on or before the close of business, October 22, 2001. No further written inquiries will be accepted after that date. In the event the due date of this solicitation is changed, for whatever reason, further written inquiries must be received within sufficient time prior to the revised due date so that written amendment(s) can be sent and received by bidders. E-mail is preferred. Please direct e-mail, with "IFB 2001-22" in the Subject line, to the attention of John Tackley at this e-mail address:

jtackley@dit.state.va.us

(Facsimiles are also acceptable. The ASD fax number is (804) 371-5969.)

1.5 Identification of Bids

The cover page of the solicitation must be returned, bearing the authorized signature of a responsible representative of the bidder, and other requested information on that page, including the offering firm's Federal Identification Number (FIN). One paper copy of the complete bid offer, including pricing must be submitted for contractual purposes. Bid offer must also be submitted on CD-ROM discs, and shall be clearly marked on the outside cover of all envelopes, boxes, CD-covers or packages, and also on the individual CD-ROM discs themselves, as follows:

From: Name of Bidder
 Street or P.O. Box Number
 City, State, Zip Code
 IFB Number 2001-22
 (Bid offer, Redacted Bid Offer or Pricing Spreadsheet)

The CD-ROM discs must be individually labeled with their contents. The labeling information should be printed on the CD-ROM media.

1.6 Oral Presentation/Demonstration

An oral presentation and or demonstration by the Bidder may be required. If an oral presentation/demonstration is required to clarify or substantiate any area contained in the bidder's response, the Issuing Office will schedule a time and place for the presentation. The bid offer must

COMPUTER BASED TRAINING MATERIALS

be complete in all respects, as oral presentations and demonstrations MAY NOT be scheduled. All costs incurred by a Bidder to provide oral presentations/demonstrations are the responsibility of the Bidder.

1.7 Proprietary Information

Trade secrets or proprietary information submitted by a Bidder or Contractor in connection with a procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the Bidder, or Contractor must invoke the protections of Code of Virginia, Section II 52D, prior to or upon submission of the data or other materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. (Bidders must use the Tools/Track Changes /Highlight Changes feature of MS Word for all Word document files submitted.) THE CLASSIFICATION OF AN ENTIRE BID, TECHNICAL PROPOSAL DOCUMENT, LINE ITEM PRICES AND/OR TOTAL BID PRICES AS PROPRIETARY IS NOT ACCEPTABLE AND MAY RESULT IN REJECTION OF THE BID. IF THE BID IS ACCEPTED, FAILURE TO MARK THE DATA OR OTHER MATERIALS AS STATED WILL RESULT IN THE DATA OR OTHER MATERIALS BEING RELEASED TO VENDORS OR THE PUBLIC AS PROVIDED IN THE VIRGINIA FREEDOM OF INFORMATION ACT.

1.8 Bid Format

When preparing a bid offer, bidders must adhere to the following general instructions in order to bring clarity and order to their solicitation response and the subsequent evaluation process. The bid offer is to be delivered in several parts or elements, all within a single main response envelope labeled with the Bidder Firm name and the Solicitation number. All parts are to be submitted, both paper/hard copy and separate CD-ROM discs, each clearly and appropriately labeled. The required bid elements are as follows:

- 1.8.1 The first element is the cover sheet of this solicitation document. It must be signed by the Bidder's contractually binding authority, and must be submitted to the issuing Office identified on the face page of the solicitation. The firm's address, contact person and other information, including the firm's FIN must also be entered in the spaces provided on this page.
- 1.8.2 One complete paper/ printed hard copy of each separate bid offer, including the complete solicitation document, and printed hard copies of all files submitted on CD-ROM, including the individual MS Excel spreadsheet workbooks (*Instructions, Professional Development, Desktop Apps-End User Computing, Listing Spreadsheet*) must be submitted in a sealed envelope labeled "IFB 2001-22 Bid Response – Paper Copy." The paper/ printed hard copy documents will be used for contractual purposes when making a bid award.
- 1.8.3 All CBT courses and related services offered must be listed in a Listing Spreadsheet. This Listing must include the information shown in the table below. A complete CBT product and optional service(s) listing shall consist of all:
 - CBT courses/products offered.
 - Related services offered.
 - Bid prices offered (derived from the Discount and Index Price, both from the Pricing Spreadsheet)
 - Published price list, contract listing or URL of Publisher's web page(s) where pricing can be verified and information and descriptions of CBT courses offered can be viewed.

COMPUTER BASED TRAINING MATERIALS

All document(s) file(s) must also be submitted in an appropriately labeled sealed envelope, in MS Word format on an appropriately labeled CD-ROM disc, in a Table formatted as follows:

Company Name	Course Title	Delivery Medium	Course ID#	Bid Price (DC x IP)	% Discount	Index Price	Index document (Published price list, contract listing or URL)
Sample Co.	MS Word '97 – Level 1	1 user, CD-ROM	PI-111222c	\$77	23%	\$100	www.sampleco.com/msword/111222.html

- 1.8.4 **Pricing Spreadsheet**, (see Section 2.2). The Pricing Spreadsheet (downloaded from the ASD website) is to be submitted on a clearly marked CD-ROM disc. The Pricing Spreadsheet must be delivered in accordance with instructions contained in Section 2.2. Be advised, you are required to download a MS Excel spreadsheet file for your required use in submitting this cost information. You must follow the instructions given for downloading and supplying required information and costs by inserting data into the spreadsheet file supplied at the ASD website (see Section 1.10). This cost information must be submitted in MS Excel format, and only one CD-ROM disc is required.
- 1.8.5 A redacted bid offer, but only if necessary, for identification of proprietary information. The revised bid offer, with proprietary information redacted, is to be submitted on a separate CD-ROM disc. Please refer to the preceding paragraph # 1.7 for instructions. Data that has been removed must be so noted and there must be an explanation for each item removed as proprietary. NOTE: IT IS NOT ACCEPTABLE TO MARK AN ENTIRE DOCUMENT AS PROPRIETARY. IT IS ALSO UNACCEPTABLE TO MARK THE BID PRICING AS PROPRIETARY. Bidders are referred to the Commonwealth of Virginia Vendors' Manual, section 1.9 for clarification.
- 1.8.6 If not the Publisher or OEM of CBT products offered, the Bidder must supply a hard copy, written confirmation, signed by a responsible person from the Publisher or OEM, that states that the bidder is a regular dealer of all Publisher or OEM products and services offered.

1.9 Bid Pricing Format

Please refer to Section 2.2.1 entitled "**Pricing Schedule**" for detailed instructions.

1.10 ASD Website

The Commonwealth maintains an acquisition website at <http://asd.state.va.us>. Bidders are requested to check this site prior to submitting bids, in the event the solicitation is amended or extended. Failure to check for amendments does not relieve the Bidder from complying with all terms of any such amendment.

COMPUTER BASED TRAINING MATERIALS

SECTION 2: MANDATORY REQUIREMENTS**2.1 CBT Categories and Requirements**

The Commonwealth is seeking to establish multiple Statewide Master Contracts in two CBT categories. The categories are:

- 2.8.1 Information Technology (IT) Professional Development,
- 2.8.2 Desktop Applications/End User Computing.

2.1.1 General Requirements: The following mandatory requirements apply:

- o The minimum number of course offerings in each category to be considered for award shall be:
 - 350 IT Professional Development courses
 - 200 Desktop Apps/End User Computing courses
- o The following delivery mediums must be provided, but are not limited to:
 - DESKTOP based:
(DISKETTE/CD-ROM/DVD-ROM (or other recorded, mail-able medium)
 - WEB based: (Internet/Intranet, online or downloadable)
 - LAN based: (Customer Server, online or downloadable)
- o The following course features must be provided, but are not limited to:
 - Skill Assessments
 - HELP feature
 - Book-marking
 - 30 Day No-Cost Preview
 - Administrative features:
 - Registration
 - Tracking
 - Reporting
- o Industrial Funding Adjustment (IFA), as specified in the attached Contractual Terms and Conditions herein.

2.2 Bid Pricing (Pricing Schedule)**2.2.1 PRICING SCHEDULE:**

BIDDERS MUST SUBMIT BID PURCHASE PRICING WITHIN THE PROVIDED MS EXCEL FILE, WHICH BEARS THE NAME OF:

"IFB200122.XLS"

THIS FILE MUST BE DOWNLOADED FROM THE ASD WEBSITE LOCATED AT URL:

<http://asd.state.va.us/bids/200122.htm>

COMPUTER BASED TRAINING MATERIALS

(NOTE/ Download Instructions:

From the above URL, right click on "Spreadsheet", then select "Save Target As ...", provide the file extension "xls" to the file name, and then save it to your desktop or other location. After the file download completes you may use MS Excel to open the file.)

THIS FILE MUST BE USED UNMODIFIED (EXCEPT For Bidder Information and Pricing) FOR SUBMISSION OF ALL BID PRICING ON THE CD-ROM DISC SUBMITTED IN RESPONSE TO THIS SOLICITATION. PRICING not organized in this manner may cause bid to be ruled non-responsive for failing to specifically address these requirements.

The instructions for completing the two category worksheets are re-printed here.

MARKET BASKET OF COURSE OFFERINGS and LISTING Spreadsheet:

Award will be based upon the Evaluated Cost (EC) which is the sum total of costs for the "Market Basket" of courses provided. Multiple awards up to 5 may be made. Award will consist of the *entire* catalog of courses available from each selected bidder.

On the following two worksheets, (Professional Development and Desktop Apps...) enter your firm's data per the following INSTRUCTIONS: Instructions:

NOTE: *Sample data, shown in red font color, has been inserted as a guide on each sheet.*

Enter your firm's name in the "COMPANY NAME" column.

Enter your firm's course data that most closely matches the provided titles.

Enter the course Delivery Medium, License and ID number or part number, as appropriate.

Enter your firm's bid price in the "BID PRICE" column. (NOTE: All prices must include IFA)

Enter the Publisher's purchase price in the "Index Price" column. (Discount is calculated from the Bid Price and the Index Price)

Enter the Publisher's Index Document or website URL in the "INDEX Price Document/URL" column (where the published price for the course can always be found).

2.2.2 EVALUATION OF COSTS:

Evaluated Cost (EC) for each CBT course/product offered will be determined by the numeric sum of bid costs for the Market Basket Sampling of courses listed in the Pricing Spreadsheet, for each category, separately. Ranking of bidders within categories will be ordered in ascending EC for the purpose of making multiple awards, up to a total of 5 awards within the two CBT categories.

2.2.3 CONTRACT PRICING:

Contract Line Item Number (CLIN) Pricing for all CBT courses/products/services offered shall be determined by the application of a Contract Discount, from a publicly available published Index Price document or URL (Internet website). Contractor(s) must, at all times during the term of this contract, make available to the Commonwealth (preferably in electronic form), the current Index Price of each contract item. The Index Price may come from such publicly available published documents as a price list (such as "Retail" catalog pricing) or from a contract, which is still in effect at the time of contract award (such as a "GSA" or other contract) or from a website URL where such documents or pricing are publicly available. Distributor or Reseller catalog pricing is not acceptable for this purpose.

Contractor(s) shall update the Index Price document on a regular basis and provide the updated Index Price document to the Contracts Manager, DIT. The schedule for providing such updates may be at the contractor's convenience dependent upon contractor's frequency of publication of pricing changes (i.e. daily, weekly, monthly, etc.), but in all cases shall, at a minimum, be provided to the Contract's Manager, DIT on a quarterly basis. The current Index Price for each CLIN will be published on the ASD website for the convenience of authorized contract users. At no time shall a lower price than the Index Price less Contract Discount be offered to government customers within

COMPUTER BASED TRAINING MATERIALS

the Commonwealth of Virginia. Any promotional or otherwise "special" pricing must be available to all authorized contract users.

ALL CONTRACT PRICES MUST BE NOT-TO-EXCEED PRICES. At no time during this agreement will a Contractor be allowed to exceed the prices offered in the IFB response, except as provided herein. The Master Contract pricing shall therefore be Not-To-Exceed (NTE) pricing.

After contract award(s), DIT will use the NTE prices in the following manner. CBT courses/products/services Index Prices offered shall be verifiable by referring to the most current Index Price document. All subsequent CLIN price changes for product replacements, whether caused by manufacturer price changes, obsolescence, etc. will be governed by the application of the constant Contract Discount for the life of the Master Contract.

2.3 Product Substitutions and/or Additions

The Contractor may substitute or replace products that are of equal or greater value and equivalent or greater specification to existing contract items, as necessary, when the change is required due to the Publishers or OEM's course product/service changes. All changes must be reflected by the Index Price document or website URL designated for that item, prior to substitutions of CLINs. Products may also be added to the contract as the need arises, upon mutual consent of the Commonwealth and contractor, but only at the Contract Discount for like items or items within the same categories.

2.4 Index Price Document or URL Persistence and Contract Administration

It is the intent of the Commonwealth to be able to use all Index Price documents, their updates and/or website URL(s) supplied with the bid offer for the life of the contract. In the event that any of these cannot be persistently maintained, the contractor must notify the Contracts Manager, DIT of any and all changes to them a minimum of 30 days prior to any changes. For award purposes, the Index Price document or website URL provided on the printed hard copy will be used to verify and validate the Contract Discount for courses/products/services initially offered. Should any change to the Index Price document or website URL(s) provided with the bid offer be made prior to award, but after this solicitation's due date, bidder must notify DIT/ASD immediately. E-mail notification is preferred. Please direct e-mail, with **"IFB 2001-22, Index Price Document/URL Change Notification"** in the Subject line, to the attention of John Tackley at the following e-mail address:

jtackley@dit.state.va.us

and also follow up the e-mail message notification with an original hard copy mailed to:

Mr. John Tackley
Department of Information Technology
Acquisition Services Division
110 South 7th Street – East Lobby Floor
Richmond, Virginia 23219

2.5 Bid Evaluation Period

The Commonwealth may elect to conduct testing of products offered before the award of the Contract. All Bidders should be prepared to provide offered courses/products for such testing prior to award. Should the COV elect to test a Bidder's offering, the Bidder must provide one (1)

COMPUTER BASED TRAINING MATERIALS

evaluation unit for each course listed in the Market Basket sampling. The Delivery Medium specified in the Pricing Spreadsheet will determine how the product is provided for bid evaluation. If the COV determines that the Bidder's offering does not meet the specifications as stated in the IFB, the bid will be rejected. The Bidder shall be liable for all costs associated with the courses/products submitted for evaluation.

2.6 Warranty/Maintenance

Contractor shall provide a toll free technical support contact number with each delivery where authorized user may obtain assistance with the installation, configuration and use of the CBT product identified in individual purchase orders.

2.7 Delivery

Delivery shall be 30 days after receipt of order.

2.8 Use Restrictions

- 2.8.1 Title to all CBT products ordered under this contract shall remain solely that of the contractor.
- 2.8.2 Delivery medium specified on each order shall determine how CBT products are to be licensed and used by the ordering Agency/Authorized Contract User(s). Usage rights extend to contractors employed by the ordering agency.
- 2.8.3 The ordering Agency is authorized to copy installed CBT products for backup and archival purposes only.
- 2.8.4 The ordering Agency shall be responsible for any and all problems arising from hardware or software compatibility problems arising from installation of the CBT product ordered. The contractor will assist in correcting any and all such problems to the maximum feasible degree.

2.9 Industrial Funding Adjustment (IFA)

All Pricing shall include an Industrial Funding Adjustment as specified in the attached Contractual Terms and Conditions herein.

COMPUTER BASED TRAINING MATERIALS

SECTION 3: SOLICITATION INSTRUCTIONS**SOLICITATION INSTRUCTIONS**

REV. 12/15/00

1. EXPLANATION TO VENDORS

Any explanation desired by a vendor regarding this solicitation/invitation for bid must be requested in writing and with sufficient time allowed for a reply to reach the vendor before the submission of their bids. PRIOR TO SUBMISSION OF A BID, VENDORS ARE REQUIRED TO READ THESE INSTRUCTIONS, REVIEW THE SCHEDULE, READ ALL TERMS AND CONDITIONS AND CHECK THE ACQUISITION SERVICE DIVISION'S (ASD'S) WEB PAGE AT ([HTTP://ASD.STATE.VA.US](http://ASD.STATE.VA.US)) FOR ANY AMENDMENTS OR CHANGES. THIS SOLICITATION IS SUBJECT TO THE PROVISIONS OF THE COMMONWEALTH OF VIRGINIA VENDOR'S MANUAL, WHICH WAS REVISED IN DECEMBER 1998 AND ANY REVISIONS THERETO, WHICH ARE HEREBY INCORPORATED INTO THIS CONTRACT IN THEIR ENTIRETY. A copy of the manual is available for review at the purchasing office, and can be obtained by calling the Division of Purchases and Supply (804) 786-3842, or by accessing the Department of General Services (DGS), Division of Purchases and Supply (DPS) Internet Home Page (www.dgs.state.va.us/dps). Any interpretation required by the State will be in the form of an amendment to the solicitation; SEE PARAGRAPH 11 BELOW. Oral explanations or instructions given before the award of the contract will not be binding. In any conflict arising between this solicitation and the Vendors' Manual, this solicitation shall prevail.

2. PREPARATION OF SOLICITATION

- A. Bids shall be submitted on the forms furnished, and must bear an original signature by an individual authorized to bind the company submitting the bid. If erasures or other changes appear on the form, each erasure or change must be initialed by the person signing the bid. Telegraphic or facsimile bids will not be considered. Vendors may not submit multiple bids in a single envelope.
- B. Vendors are required to enter their Federal Identification Number [FIN] in the upper right hand corner on Page 1, DIT Form 62. This number must correspond with the FIN number shown on Page 1 of the DIT Vendor Application For Registration Form submitted by a principal or officer of the firm submitting the bid. Failure to enter a number in the space provided or to provide a correct FIN number may delay award or result in DIT determining that the vendor is not registered to conduct business with DIT. It is the vendor's responsibility to provide the correct FIN number and to keep DIT updated as to any changes in vendor's status.
- C. The bid form may provide for submission of a price or prices for one or more items. All prices shall be entered in the schedule; "IFB-2001-04-PRICING-SCHEDULE-SS.XLS". Where the bid form explicitly requires that the vendor bid on all items (e.g., an all or none requirement), failure to do so will disqualify the bid. When submission of a price on all items is not required, vendor should insert the words "no bid" in the space provided for any item on which no price is submitted.
- D. Additional bids may be submitted, when in the vendor's judgment they can provide more than one solution, which meets the required specifications of the procurement. Additional bids shall

COMPUTER BASED TRAINING MATERIALS

be submitted on either a duplicate copy of the bid document or on plain paper and shall be clearly identified with the words "ADDITIONAL BID" written or printed on the face of each additional bid. Additional bids shall not be considered unless detailed specifications or descriptions sufficient to establish quality, utility and merit accompany the bid.

VENDORS SUBMITTING ADDITIONAL BIDS ARE REMINDED THAT THE TERMS AND CONDITIONS WHICH APPLY TO THE ORIGINAL BID SHALL ALSO APPLY TO THE ADDITIONAL BID AND ANY MODIFICATION TO TERMS AND CONDITIONS OF A SOLICITATION OR THE ADDITION OF RESTRICTIVE PROVISIONS BY A BIDDER SHALL BE CAUSE FOR REJECTION OF THE BID.

- E. Modification of bids already submitted will be considered if received at the office designated in the invitation for bids before the time set for opening of bids.

3. SUBMISSION OF BIDS

TO BE CONSIDERED, THE BID MUST BE RECEIVED AT THE ADDRESS GIVEN IN BLOCK #6 OF THE SOLICITATION ON OR BEFORE THE DATE AND HOUR DESIGNATED. Vendors must pay particular attention to ensure that the bid is properly addressed. The State is not responsible if the bid is not properly addressed. The State is not responsible if the bid does not reach the destination specified by the date and time identified in block #8 page 1 of the Bid. Sealed bids received after the date and hour identified in block #8 are automatically disqualified, and will not be considered. All bids must be sealed, marked and addressed, to the address shown in block #6 of the Solicitation, and marked on the outside of the vendor's envelope as in the example below. Failure to do so may result in a premature opening of, or a failure to open, the bid.

From:	Name of Vendor	
	Street or Box Number	
	City, State, Zip Code	
	Due Date	Time
	IFB No.	

4. SPECIFICATIONS AND USE OF BRAND NAMES

Unless otherwise provided in the solicitation, the name of a certain brand, make or manufacturer does not restrict bids to the specific brand, make or manufacturer named. Any item, which the State at its sole discretion determines to be the equal of that specified as defined in the Schedule, will be accepted. The award will be made to the lowest responsive and responsible bidder or bidder offering the functional equivalent to the brand name described in the specification. Thus, equivalent products of other manufacturers will be considered only if proof of equivalency is contained in or accompanies the bid.

5. LATE BIDS, MODIFICATIONS OF BIDS OR WITHDRAWALS OF BIDS

- A. Any bids received at the office designated in block #6 of the Solicitation after the exact time specified for receipt will not be considered for award. (See Paragraph 4.10 of the Vendor's Manual for further discussion.)
- B. A bid may be amended and/or withdrawn by a vendor if the office issuing the bid receives the request in writing before the date and hour set forth in the bid form. The request must be signed by a person authorized to represent the person or firm that submits the bid. Submission of a subsequent bid

COMPUTER BASED TRAINING MATERIALS

shall normally constitute the withdrawal of any prior bid submitted by the same bidder or bidder on the same IFB.

6. PUBLIC OPENING OF BIDS

Bids will be publicly opened at the time and date specified on page 1 of the Solicitation document. The content of these solicitations will be made public in accordance with Paragraphs 1.9 and 2.4 of the Vendor's Manual. Bids will not normally be evaluated at the bid opening meeting. All bids will be opened at the location shown on page 1 of the solicitation.

7. SOLICITATION TERMS AND CONDITIONS

The terms and conditions contained in this solicitation are considered mandatory and are the only terms and conditions governing transactions under any contract awarded as a result of this solicitation.

If the vendor includes additional terms and conditions on pre-printed marketing sheets, pre-printed catalogues, or other pre-printed materials, then it is understood that those terms and conditions are of no consequence to any resulting contract.

Any other modification, addition, clarification, or change to the mandatory terms and conditions by the vendor shall cause the bid to be rejected.

8. AWARD OF CONTRACT

Bids shall be evaluated and the responsive and responsible bidder(s) offering the lowest price will be awarded a Contract. The State reserves the right to reject any and all bids in whole or in part and to waive any informality in the bids.

9. AWARD NOTICES

Upon the completion of evaluation, the State will either post a NOTICE OF AWARD (NOA) or a NOTICE OF INTENT TO AWARD (NOIA). If a NOIA is used, the notice will be publicly posted ten days prior to the actual award date of the contract. All award notices will be posted on ASD's Web Page ([HTTP://ASD.STATE.VA.US](http://ASD.STATE.VA.US)) and posted in ASD's lobby in written format.

A NOTICE OF INTENT TO AWARD OR A NOTICE OF AWARD will be mailed to any bidder submitting a self-addressed, stamped envelope with their bid.

NOTICES OF INTENT TO AWARD OR NOTICES OF AWARD will be posted in accordance with paragraph 6.3 of the Vendor's Manual.

TELEPHONIC REQUESTS FOR BID RESULTS WILL NOT BE HONORED.

10. FAILURE TO DELIVER

Failure to comply with the terms and conditions of the IFB or to deliver equipment, software or services identified in the solicitation at the price quoted may result in cancellation or rescission of the

COMPUTER BASED TRAINING MATERIALS

award/contract by the Commonwealth and may subject the Contractor to removal from DIT's Vendor Registration file and ruled ineligible to participate in DIT's (and other agencies and institutions information technology) procurements for a period of 12 months.

11. AMENDMENT OF SOLICITATION

Any amendment or change to this solicitation will be issued in writing and will identify the changes to be made in the bid. All amendments will be posted to the ASD's Web page at (<http://asd.state.va.us>) and posted in ASD's lobby in written format.

If the bid opening date is extended the new date and time will be clearly shown on the face of the amendment.

Bidders will be required to sign and return a copy of the amendment with their bid to indicate that they have received the document and are aware of the changes made.

12. ANTI-COLLUSION CERTIFICATION

By Bidder's signature on the face of this bid, Bidder certifies that this bid is made without prior understanding, agreement, or connection with any corporation, firm, or person submitting a bid for the same equipment, software, or services, and is in all respects fair and without collusion or fraud. Vendor understands collusive bidding is a violation of the Virginia Governmental Frauds Act and Federal Law and can result in fines, prison sentences, and civil damage awards. Bidder agrees to abide by all conditions of this bid and certifies that he or she is authorized to sign this bid for the bidder's firm.

13. DEMONSTRATIONS

The State reserves the right to require the Bidder to demonstrate to the satisfaction of the State, that the products offered will perform in a completely acceptable manner and to meet or exceed the specifications referenced in the solicitation. The demonstration site and time is subject to agreement between the State and Bidder. A Bidder refusing to demonstrate his products bid after determination that he is the apparent low responsive and responsible bidder may be removed from DIT's vendor registration file and ruled ineligible to participate in DIT's (and other agencies and institutions information technology) procurements for a period of 12 months.

14. PROTESTS OF AWARDS

All protests of awards shall be conducted in accordance with Chapter 9 of the Vendors Manual.

15. VENDOR REGISTRATION

AN AWARD WILL NOT BE MADE TO ANY BIDDER NOT REGISTERED WITH THE DEPARTMENT OF INFORMATION TECHNOLOGY (DIT). A completed registration form must be on file or received by DIT (Acquisition Services Division) not later than the award date. A registration form may be obtained online at <http://asd.state.va.us>, or by calling (804) 371-5900.

COMPUTER BASED TRAINING MATERIALS**16. CONTRACT**

Any contract awarded as a result of this solicitation, offer and award shall be between DIT and the Contractor. No other agency, institution or public body may negotiate in any way with the vendor concerning the items identified in the schedule or any terms and conditions of the contract. All problems associated with the resulting contract shall be brought to the attention of the Contracts Manager, DIT.

Specifications - Any comments or questions concerning the specifications, terms and conditions or any note contained in this solicitation shall be submitted, in writing to the issuing office (See Block #6 DIT Form #62) at least ten (10) days prior to the closing date.

17. TRADE SECRETS OR PROPRIETARY INFORMATION

Trade secrets or proprietary information submitted by a bidder in connection with a procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the bidder must invoke the protections of Code of Virginia, Section 11-52D, prior to or upon submission of the data or other materials, and must identify the data or other materials to be protected and state the reason why protection is necessary. **The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire bid document, line item prices and/or total bid prices as proprietary or trade secrets is not acceptable and will result in rejection of the bid.**

Mandatory Terms and Conditions
For
IFB2001-022

1. SCOPE OF CONTRACT

The following paragraphs contain the Contractual terms and conditions by which the Commonwealth of Virginia, hereinafter referred to as "Commonwealth " or "State", will acquire computer based training (CBT) courses, materials and related Services from the Contractor identified in block #9, page 1 of the Solicitation, hereinafter referred to as "the Contractor."

"Authorized Users" of this Master Contract as identified by the Commonwealth to place Orders, shall be any state agency, institution of higher education, locality or local school division, political subdivision or other public body as defined in the Code of Virginia, §11.37.

2. VENDORS MANUAL

This solicitation is subject to the provisions of the Commonwealth of Virginia Vendors Manual and any revisions thereto, which are hereby incorporated into this Contract in their entirety. A copy of the manual is normally available for review at the purchasing office and in addition, a copy can be obtained by calling the Division of Purchases and Supply (804) 786-3842, or by accessing the Department of General Services (DGS), Division of Purchases and Supply (DPS) Internet site (www.dgs.state.va.us/dps/).

3. APPLICABLE LAWS AND COURTS

This solicitation and any resulting Contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth and or the Authorized User. The Contractor shall comply with all applicable federal, state and local laws, rules and regulations.

4. ANTI-DISCRIMINATION

By submitting their bids, bidders certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and §11-51 of the Virginia Public Procurement Act. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, Services, or disbursements made pursuant to the Contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that Contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates

public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Code of Virginia, § 11-35.1E).

In every Contract over \$10,000 the provisions in a. and b. below apply:

a. During the performance of this Contract, the Contractor agrees as follows:

1) The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

2) The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.

3) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for meeting these requirements.

b. The Contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

5. ETHICS IN PUBLIC CONTRACTING

By submitting their bids, bidders certify that their bids are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other bidder, supplier, manufacturer or subcontractor in connection with their bid, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, Services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

6. IMMIGRATION REFORM AND CONTROL ACT OF 1986

By submitting their bids, bidders certify that they do not and will not during the performance of this Contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.

7. DEBARMENT STATUS

By submitting their bids, bidders certify that they are not currently debarred by the Commonwealth of Virginia from submitting bids on Contracts for the type of goods and/or Services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

8. ANTITRUST

By entering into a Contract, the Contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or Services purchased or acquired by the Commonwealth of Virginia under said Contract.

9. MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR IFBs AND RFPs

Failure to submit a bid on the official state form provided for that purpose shall be a cause for rejection of the bid. Modification of or additions to any portion of the Invitation for Bids may be cause for rejection of the bid; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a bid as nonresponsive. As a precondition to its acceptance, the Commonwealth may, in its sole discretion, request that the bidder withdraw or modify nonresponsive portions of a bid which do not affect quality, quantity, price, or delivery. No modification of or addition to the provisions of the Contract shall be effective unless reduced to writing and signed by the parties.

10. CLARIFICATION OF TERMS

If any prospective bidder has questions about the specifications or other solicitation documents, the prospective bidder should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

11. PAYMENT

a. To Prime Contractor:

1) Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the state Contract number and/or purchase order number; social security number (for individual Contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).

2) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.

3) All goods or Services provided under this Contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.

4) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

5) **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, Contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges that appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges that are not in dispute (Code of Virginia, § 11-69).

b. To Subcontractors:

1) A Contractor awarded a Contract under this solicitation is hereby obligated:

(a) To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Commonwealth and or the Authorized User for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract;
or

(b) To notify the agency and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.

2) The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth and or the Authorized User.

12. PRECEDENCE OF TERMS

Paragraphs 1-12 of these General Terms and Conditions shall apply in all instances. In the event there is a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.

13. QUALIFICATIONS OF BIDDERS

The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the bidder to perform the Services/furnish the goods and the bidder shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect bidder's physical facilities prior to award to satisfy questions regarding the bidder's capabilities. The Commonwealth further reserves the right to reject any bid/proposal if the evidence submitted by, or investigations of, such bidder fails to satisfy the Commonwealth that such bidder is properly qualified to carry out the obligations of the Contract and to provide the Services and/or furnish the goods contemplated therein.

14. TESTING AND INSPECTION

The Commonwealth and or the Authorized User reserves the right to conduct any test/inspection it may deem advisable to assure goods and Services conform to the specifications.

15. ASSIGNMENT OF CONTRACT

A Contract shall not be assignable by the Contractor in whole or in part without the written consent of the Commonwealth.

16. MODIFICATIONS

This Contract maybe modified in accordance with Section 11-55 of the Code of Virginia. Such modifications may only be made by the representatives noted below No modifications to this Contract shall be effective unless it is in writing and signed by the duly authorized representative of both parties. No term or provision hereof shall be deemed waived and no breach excused unless such waiver or consent to breach is in writing. For purposes of the Contract, the only authorized representative for the Commonwealth shall be the individual identified in block #14 of this solicitation or his duly designated alternate, and for the Contractor the person identified in block #9 of the solicitation.

Any Contract issued on a firm fixed price basis may not be increased more than twenty five percent (25%) or \$50,000.00 whichever is greater, without the approval of the Governor of the Commonwealth of Virginia or his authorized designee.

17. DEFAULT

In case of failure to deliver goods or Services in accordance with the Contract terms and conditions, the Commonwealth, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies that the Commonwealth may have.

18. TAXES

Sales to the Commonwealth of Virginia are normally exempt from State sales tax. State sales and use tax certificates of exemption, Form ST-12, will be issued upon request, and can be obtained online at <http://www.tax.state.va.us/>. Deliveries against this Contract shall usually be free of Federal excise and transportation taxes. The Commonwealth User's excise tax exemption registration number is 54-73-0076K.

19. USE OF BRAND NAMES

Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article that the public body, in its sole discretion, determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The bidder is responsible to clearly specify and identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Unless the bidder clearly indicates in its bid that the product offered is an equal product, such bid will be considered to offer the brand name product referenced in the solicitation.

20. TRANSPORTATION AND PACKAGING

By submitting their bids, all bidders certify and warrant that the price offered for FOB destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity.

21. INSURANCE

By signing and submitting a bid or proposal under this solicitation, the bidder or offeror certifies that if awarded the Contract, it will have the following insurance coverages at the time the Contract is awarded. For construction Contracts, if any subcontractors are involved, the subcontractor will have workers' compensation insurance in accordance with §§ 11-46.3 and 65.2-800 et seq. of the Code of Virginia. The bidder or offeror further certifies that the Contractor and any subcontractors will maintain these

insurance coverages during the entire term of the Contract and that all insurance coverages will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

INSURANCE COVERAGES AND LIMITS REQUIRED:

- a. Worker's Compensation - Statutory requirements and benefits.
- b. Employers Liability - \$100,000.
- c. Commercial General Liability - \$500,000 combined single limit. Commercial General Liability is to include Premises/Operations Liability, Products and Completed Operations Coverage, and Independent Contractor's Liability or Owner's and Contractor's Protective Liability. The Commonwealth and or the Authorized User of Virginia must be named as an additional insured when requiring a Contractor to obtain Commercial General Liability coverage.
- d. Automobile Liability - \$500,000 - Combined single limit. (Only used if motor vehicle is to be used in the Contract.)

22. ANNOUNCEMENT OF AWARD

Upon the award or the announcement of the decision to award a Contract as a result of this solicitation, ASD will publicly post such notice on its website at <http://asd.state.va.us/> for a minimum of 10 days.

23. DRUG-FREE WORKPLACE

During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific Contract awarded to a Contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Contract.

NONDISCRIMINATION OF CONTRACTORS

A bidder, offeror, or Contractor shall not be discriminated against in the solicitation or award of this Contract because of race, religion, color, sex, national origin, age, or disability or against faith-based organizations. If the award of this Contract is made to a faith-based organization and an individual, who applies for or receives goods, Services, or disbursements provided pursuant to this Contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, Services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, Services, or disbursements from an alternative provider.

25. BREACH

The Contractor shall be deemed in breach of this Agreement if the Contractor (a) fails to make any Product or Service ready for acceptance testing by the specified delivery date; (b) repeatedly fails to respond to requests for maintenance or other required service within the time limits set forth in this Agreement; (c) fails to comply with any other term of this Agreement and fails to cure such noncompliance within ten days (or such greater period as is acceptable to the Commonwealth and or the Authorized User) following Contractor's receipt of a Show Cause Notice identifying such noncompliance; or (d) fails to provide a written response to the Commonwealth and or the Authorized User's Show Cause Notice within ten days after receiving same.

The Contractor shall not be in breach of this Agreement if its default was due to causes beyond the reasonable control of, and occurred without any fault or negligence on the part of, both the Contractor and its subcontractors. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the Commonwealth and or the Authorized User in either its sovereign or Contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather.

In the event of breach, in addition to any other remedies provided by law, the Commonwealth and or the Authorized User may cancel its obligations with respect to any or all unaccepted Products or Services. All costs for deinstallation and return of Products shall be borne by the Contractor. In no event shall any failure by the Commonwealth and or the Authorized User to exercise any remedy available to it be construed as a waiver of or consent to any breach.

26. CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS

Any commitment made by the Contractor within the scope of this Contract shall be binding upon Contractor. For the purposes of this Contract, a commitment by the Contractor includes:

- a. Prices and options committed to remain in force over a specified period(s) of time;
- b. Any written warranty or representation made by the Contractor in this solicitation as to hardware or software performance, or other physical design or functional characteristics of that which is offered.

27. DELIVERY DATE

- a. The Contractor shall deliver the requested CBT, or Services ready for use, within 30 days ARO.
- b. Any amendment by the State to this Contract or any part thereof, may require the establishment of a new mutually agreed to required delivery date. The State may delay the installation date by notifying the Contractor at least ten (10) days before the required installation date.
- c. If the CBT or Services is not delivered within the time specified herein, the State reserves the right to cancel the award of this Contract and/or terminate this Contract for default without further obligation, and award the solicitation to the next responsive and responsible bidder. Contractors are cautioned that failure to deliver the proposed as stated in response to a solicitation document may result in removal from DIT's Vendor Registration File as per Section 7.20 of the Division of Purchases and Supply's Vendor's Manual dated December 1998.
- d. Neither the Contractor nor the State shall be responsible for delays resulting from acts beyond the control of each party. These include, but are not limited to, acts of God, riots, acts of war, fire, earthquakes, epidemics, or disasters.

28. PATENT/COPYRIGHT PROTECTION

Contractor, at its own expense, shall defend any suit brought against the Commonwealth and or the Authorized User for the infringement of patents, copyrights or trade secrets enforceable in the United States if the claim of infringement is alleged to relate to or arise from the Contractor's or Commonwealth and or the Authorized User's use of any equipment, software, materials or information prepared, developed or delivered in connection with performance of this Agreement. In such suit, Contractor shall indemnify the Commonwealth and or the Authorized User, its agents, officers and employees for any loss, liability or expense incurred as a result of such suit.

The purchasing agency shall notify the Contractor of such suit within a reasonable time after learning of it and shall give the Contractor the full right and opportunity to conduct the defense of the suit, subject however to the requirements of Section 2.1-122 and Section 2.1-127 of the Code of Virginia or any successor statute. If principles of governmental or public law are involved, the Commonwealth and or the Authorized User may, at its option and expense, participate in the defense of the suit.

The Contractor shall not be required to indemnify the Commonwealth and or the Authorized User for liability arising solely out of the Commonwealth and or the Authorized User's own specifications or design or solely from the combination of equipment or software furnished hereunder with any equipment or software not supplied by the Contractor.

If, any Product or Service becomes, or in the Contractor's opinion, is likely to become, the subject of a claim of infringement, Contractor may, at its option, provide noninfringing substitutes that are satisfactory to the Commonwealth and or the Authorized User, or at Contractor's option and expense, may obtain the right for the Commonwealth and or the Authorized User to continue the use of such Product or Service.

If the use of such equipment or software by the Commonwealth and or the Authorized User is prevented by permanent injunction or by Contractor's failure to procure the right for the Commonwealth and or the Authorized User to continue using the software, the Contractor agrees to take back the infringing equipment, software, materials or information and refund the total amount the Commonwealth and or the Authorized User has paid Contractor under this Agreement, less one half (1/2%) percent of the total paid for each month of use by the Commonwealth and or the Authorized User. This obligation is in addition to the obligations cited in the first four subparagraphs above of paragraph 7.

29. NON-APPROPRIATION

All funds for payment of CBT or Services ordered under this Contract are subject to the availability of legislative appropriation for this purpose. In the event of non-appropriation of funds by the Legislature for the items under this Contract, the Commonwealth will terminate this Contract for those goods or Services for which funds have not been appropriated. Written notice will be provided to the Contractor as soon as possible after legislative action is completed.

If any purchases are to be supported by federal funding, and such funding is not made available, the Commonwealth may terminate this Contract for goods or Services dependent on such federal funds without further obligation.

30. HEADINGS NOT CONTROLLING

Headings used in this Contract are for reference purposes only and shall not be considered to be a substantive part of this Contract.

31. ENTIRE AGREEMENT

This Contract, the solicitation, bid response, solicitation instructions and all CBT specifically listed in the Schedule, and the notes in the Schedule constitute the entire agreement between the parties with respect to the subject matter of this Contract. All prior agreements, representations, statements, negotiations and undertakings are hereby superseded with respect to equipment and/or software acquired by the State under the terms and conditions of this Contract.

No other written documents regardless of form or content shall be executed by any agency or institution for equipment acquired under this Contract unless signed by the Contracts Manager, DIT, or his alternate as designated by the Director, DIT.

32. PRICE PROTECTION/ADJUSTMENTS

The State will not pay any additional costs above those costs provided for in the Schedule identified herein. In no event may the amount of any Contract, without adequate consideration, be increased for any purpose.

Any price decrease effectuated during the Contract period by reason of market change shall be passed on to the Commonwealth and or the Authorized User of Virginia. This decrease will be effective on the date the price decrease is announced to the general public.

33. TERM

The Term of this Contract shall be from the date of award and continue unabated for three (3) years. The Commonwealth and or the Authorized User at its sole discretion, may extend the Contract for three (3) one (1) year periods after the initial three year Term. The Commonwealth and or the Authorized User will issue written documentation to the Contactor at least 30 days prior to the end of any current Term, stating its desire to extend the Contract.

34. INVENTIONS AND COPYRIGHTS

The Contractor is prohibited from copyrighting any papers, reports, forms or other materials, and from obtaining any patent on any invention or other discovery resulting solely from its performance under the terms and conditions of this Contract.

35. CONTRACTUAL RECORDS

All Contractual books, records and other documents related to matters under this Contract shall be made available by Contractor to the State and its designated agents for a period of five (5) years after final payment for purposes of audit and examination.

Contractual records are hereby further defined as this Contract and all delivery/purchase orders, invoices or correspondence directly relating to this agreement.

36. LIMITATION OF LIABILITY

To the maximum extent permitted by applicable law, the Contractor will not be liable under this Contract for any indirect, incidental, special or consequential damages, or damages from loss of profits, revenue, data or use of the supplies, equipment and/or Services delivered under this Contract. This limitation of liability will not apply, however, to liability arising from: (a) personal injury or death; (b) defect or deficiency caused by willful misconduct or negligence on the part of the Contractor; or (c) circumstances where the Contract expressly provides a right to damages, indemnification or reimbursement.

37. ACCEPTANCE, TESTING AND COMPLIANCE WITH SPECIFICATIONS

All materials, software and Services are subject to inspection and testing by the Commonwealth and or the Authorized User, as delineated herein under TESTING AND INSPECTION, and any that does not meet or exceed the specifications or other requirements of the Contract may be rejected. The State shall be given thirty (30) days from the completion of installation by the Contractor (or thirty (30) days after delivery if customer installed) to test, evaluate and accept the materials, software and Services delivered or furnished under this Contract (provided that the Authorized User, in its sole discretion, may accept the

same prior to expiration to the thirty (30) day period). If the Contractor's materials, software or Services fail to meet the Contract specifications or other requirements, including the specifications of the brand name (see paragraph 4 of the Solicitation Instructions), or those required by the Contractor's own technical documentation, then the same may be rejected and returned to the vendor. Such rejection will terminate this Contract and exempt the Authorized User from all costs incurred by the Contractor.

Acceptance shall be effective for the purpose of making payment, however, acceptance by the Authorized User following testing and evaluation during the thirty (30) day period shall not be conclusive that the materials, software or Services conform in all respects to the Contract specifications and other requirements. In the event that nonconformance therewith is discovered by the Authorized User after acceptance, whether due to a latent defect or otherwise, the Contractor shall take whatever action is necessary to conform the materials, software or Services to the Contract specifications and other requirements, including but not limited to modification or replacement of the same. The Contractor's failure to do so shall constitute breach of Contract for which the State may exercise the remedies provided in the section herein entitled "Termination and Cancellation," in addition to and not in lieu of any other remedies available under Virginia law.

38. SUPPLIES

Authorized charges do not include operational supplies (e.g. paper, tape, etc.) unless such supplies are specifically identified in the Schedule. All supplies used by the State shall conform to the Contractor's published specifications provided to State at time of equipment installation. The State reserves the right to acquire such supplies from any Contractor of its choice.

39. WARRANTY

Contractor will provide warranty Services for all CBT software and Services for the entire Contract Term and any extensions thereof. Warranty Services consist of but not limited to, error free CBT and all Services delivered as stated in any Order, and the Contractor shall provide a toll free technical support contact number where any Authorized User may obtain assistance with the installation, configuration and use of the CBT product between the hours of 8:00 a.m. and 5:00 p.m. EST.

40. TERMINATION AND CANCELLATION

The Commonwealth shall have the unilateral right to terminate this Contract for Default, in the event that any one or more of the following events of default occur or continue during the term of this agreement, (a) the vendor shall fail to deliver the equipment or Services required by this Contract or (b) the vendor shall repeatedly fail to respond to requests for maintenance or other Services within the time limits set forth in the Contract or (c) the vendor shall breach any of the other terms set forth within this agreement or (d) the vendor shall fail to cure any breach after receiving a "Show Cause Notice" identifying the failure, and providing the vendor ten (10) days to cure the failure/nonperformance. If the vendor fails to answer the cure notice, or does not correct the deficiencies noted, the State may immediately terminate the agreement for Default.

In such event, the Commonwealth will only be liable for cost incurred to the date of termination. All costs of de-installation and return of the equipment will be the vendor's expense.

The Commonwealth's failure to exercise its right to terminate for default under this provision shall not be construed as a waiver of its right to terminate, rescind or revoke this Contract in the event of any subsequent breach of any provisions of this agreement.

41. FAILURE TO DELIVER

In the event the Contractor fails for any reason to deliver in a timely manner or according to Contract terms the items set forth in the Schedule, the Commonwealth, at its own discretion, may give Contractor oral or written notice of such breach. Once notice by State is sent or given, State may immediately procure the items from another source. Once State has effected a purchase from an alternate source (in accordance with the Virginia Public Procurement Act) the parties agree that the State may charge-back Contractor, in which case Contractor agrees to reimburse State for any difference in cost between the original Contract price and the State's cost to cover from the alternate source. In no event shall State be held to pay Contractor any costs incurred by Contractor, including but not limited to ordering, marketing, manufacturing, or delivering the item(s) which are subject of the State's notice of breach. This remedy is in addition to and not in lieu of any other remedy the Commonwealth and or the Authorized User may have under this agreement and the laws of the Commonwealth.

42. CONTRACTUAL DISPUTES

In accordance with Section 11-69 of the Code of Virginia, Contractual claims, whether for money or other relief, shall be submitted in writing to the purchasing agency no later than sixty (60) days after final payment; however, written notice of the Contractor's intention to file such claim must be given to such agency at the time of the occurrence or beginning of the work upon which the claim is based. Pendency of claims shall not delay payment of amounts agreed due in the final payment. The purchasing agency shall render a final decision in writing within thirty (30) days after its receipt of the Contractor's written claim.

The Contractor may not invoke any available administrative procedure under Section 11-71 of the Code of Virginia nor institute legal action prior to receipt of the purchasing agency's decision on the claim, unless that agency fails to render its decision within thirty (30) days. The decision of the purchasing agency shall be final and conclusive unless the Contractor, within six (6) months of the date of the final decision on the claim, invokes appropriate action under Section 11-70, Code of Virginia or the administrative procedure authorized by Section 11-71, Code of Virginia.

The Department of Information Technology, its officers, agents and employees, including, without limitation, the Contracts Manager, are executing this Agreement and any Orders issued hereunder, solely in its or their statutory and regulatory capacities as agent for the Commonwealth agency purchasing and receiving the goods or Services identified in Attachment "A" to this Agreement or on the subsequent Order in question and need not be joined as a party to any dispute that may arise thereunder.

In the event of any breach by the Commonwealth, Contractor's remedies shall be limited to claims for damages and Prompt Payment Act interest and, if available and warranted, equitable relief, all such claims to be processed pursuant to this Section. In no event shall Contractor's remedies include the right to terminate any license or support Services hereunder.

43. CREDITS

Any credits due the State under the terms of this Contract may be applied against Contractor's invoices with appropriate information attached.

44. CONTRACTUAL RECORDS

The Contractor shall make all Contractual books and records and other documents relating to matters under this Agreement available to the Commonwealth and or the Authorized User and its designated agents for purposes of audit and examination for a period of five years after final payment.

Contractual records include, but are not limited to, this Agreement and all executed Orders, Attachments, modifications, invoices, and correspondence between the parties to this Agreement.

45. COMPLIANCE WITH FEDERAL LOBBYING ACT

a. Contractor shall not, in connection with this Agreement, engage in any activity prohibited by 31 U.S.C.A. Section 1352 (entitled "Limitation on use of appropriated funds to influence certain Federal Contracting and financial transactions") or by the regulations issued from time to time thereunder (together, the "Lobbying Act"), and shall promptly perform all obligations mandated by the Lobbying Act in connection with this Agreement, including, without limitation, obtaining and delivering to the Commonwealth all necessary certifications and disclosures.

b. Contractor is hereby advised that a significant percentage of the funds used to pay Contractor's invoices under this Agreement may be federal funds. Under no circumstances shall any provision of this Agreement be construed as requiring or requesting the Contractor to influence or attempt to influence any person identified in 31 U.S.C.A. Section 1352 (a) (1) in any matter.

c. A representative of Contractor shall sign the certification attached as Attachment "A" and deliver such certification to the Commonwealth simultaneously with the execution and delivery of this Agreement. Contractor shall have the certification signed by a representative with knowledge of the facts and shall fulfill the promises of undertakings set forth in the certification.

46. CONTRACTOR'S REPORT OF SALES

The Contractor must report the quarterly dollar value, in U.S. dollars and rounded to the nearest whole dollar, of all sales under this Contract by calendar quarter; i.e., January through March, April through June, July through September, and October through December. The dollar value of a sale is the price paid by the user for products and Services on a Contract order as recorded by the Contractor. The reported Contract sales value must include the Industrial Funding Adjustment, as delineated in paragraph

entitled "Industrial Funding Adjustment". The Contractor shall provide this report in hard copy to the Controller, DIT, and a copy of the report to the Contracts Manager, DIT, both within 30 days after the end of each quarterly reporting period as defined herein. The report must show each individual item and quantities purchased and the purchaser. The report is required to be hard copy. DIT may at a later time, agree to an electronic version of the report, however, in lieu of any express agreement by both parties as to the electronic format, the Commonwealth will only accept a hardcopy version. The Contractor shall define "sale" prior to the first reporting period and then shall maintain that definition through out the term of this Agreement. Sale may be defined as; 1) when the Commonwealth pays the purchase price, or 2) when the Commonwealth and or the Authorized User accepts the Products or 3) other as defined by the Contractor.

47. INDUSTRIAL FUNDING ADJUSTMENT

The Contractor must pay DIT, an Industrial Funding Adjustment (IFA). The Contractor must remit the IFA within 30 days after the end of each quarterly reporting period as established in the clause entitled "Contractor's Report of Sales". The IFA equals two percent (2%) of the total quarterly sales reported. Contractor shall remit the IFA together with a copy of the Contractor's Report of Sales as delineated in paragraph 52, above. The IFA reimburses the Commonwealth and defrays the costs for IT procurement and the administration of the subsequent awards. The IFA amount due must be paid by check with identification of "Contract number", "report amounts", and "report period", on either the check stub or other remittance material. DIT may at its discretion, agree to an electronic funds transfer, in lieu of a check, however in the absence of an express written agreement from DIT that validates agreement, then the payment shall be made by check as described herein made payable to the Controller, DIT.

If the full amount of the IFA is not paid within 30 calendar days after the end of the applicable reporting period, it shall constitute a Contract debt to the Commonwealth of Virginia, and the State may exercise all rights and remedies available under law. Failure to submit sales reports, falsification of sales reports, and or failure to pay the IFA in a timely manner may result in termination or cancellation of this Contract. Willful failure or refusal to furnish the required reports, falsification of sales reports, or failure to make timely payment of the IFA constitutes sufficient cause for terminating this Contract for default.

It is the intent of the Commonwealth to capture 2% of all sales, including temporary reduced pricing, fire sales, one time sales, trade ins, promotional items that have been marked down and all sales to the Commonwealth under this Agreement.

48. NONVISUAL ACCESS TO TECHNOLOGY:

All information technology which, pursuant to this Agreement, is purchased or upgraded by or for the use of any State agency or institution or political subdivision of the Commonwealth (the "Technology") shall comply with the following nonvisual access standards from the date of purchase or upgrade until the expiration of this Agreement:

(i) Effective, interactive control and use of the Technology shall be readily achievable by nonvisual means;

(ii) The Technology equipped for nonvisual access shall be compatible with information technology used by other individuals with whom any blind or visually impaired user of the Technology interacts;

(iii) Nonvisual access technology shall be integrated into any networks used to share communications among employees, program participants or the public; and

(iv) The technology for nonvisual access shall have the capability of providing equivalent access by nonvisual means to telecommunications or other interconnected network Services used by persons who are not blind or visually impaired.

Compliance with the foregoing nonvisual access standards shall not be required if the head of the using agency, institution or political subdivision determines that (i) the Technology is not available with nonvisual access because the essential elements of the Technology are visual and (ii) nonvisual equivalence is not available.

Installation of hardware, software, or peripheral devices used for nonvisual access is not required when the Technology is being used exclusively by individuals who are not blind or visually impaired, but applications programs and underlying operating systems (including the format of the data) used for the manipulation and presentation of information shall permit the installation and effective use of nonvisual access software and peripheral devices.

If requested, the Contractor must provide a detailed explanation of how compliance with the foregoing nonvisual access standards is achieved and a validation of concept demonstration.

The requirements of this Paragraph shall be construed to achieve full compliance with the Information Technology Access Act, 2.1-807 through 2.1-811 of the Code of Virginia.

49. PRIME CONTRACTOR RESPONSIBILITY

If the Contractor's Services offering include any goods or Services to be supplied by another party, the Contractor agrees as follows:

a. The Contractor shall act as prime contractor for the procurement and maintenance of the entire proposal and shall be the sole point of contract with regard to all obligations under this Agreement.

and

b. The Contractor hereby represents and warrants that the Contractor has made such other party aware of the proposed use and disposition of the other party's products or Services, and that such other party has agreed in writing that it has no objection thereto.

50. ORDERING

Authorized Users may order Products and Services from this Contract by one of the following methods:

- a. Purchase Order: An official Purchase Order form issued by an Authorized User
- b. Delivery Order (DO): A DO issued by the Acquisition services Division, DIT.
- c. Charge / Credit Card: Any order / payment transaction processed through the Commonwealth's contract with American Express (AMEX). Each Order must not exceed \$5,000.00 or the then current charge card limit. Payment will be made by AMEX to Contractor within three (3) business days. Or
Any other order / payment charge or credit card process, such as AMEX, MasterCard, or Visa, which is under contract for use by an Authorized User.

This ordering authority is limited to issuing orders for the Products and Services available under this Agreement. Under no circumstances shall any Authorized User or other entity have the authority to modify this Agreement.

51. TERMINATION FOR CONVENIENCE

This Contract may be terminated, in whole or in part, upon sixty (60) days advance written notice by the Commonwealth and or the Authorized User of Virginia. There are no additional costs or financial obligations to the Commonwealth and or the Authorized User upon termination for convenience.

52. TERMINATION FOR CONVENIENCE OF INDIVIDUAL ORDER

Any individual Order placed under this Agreement may be terminated, in whole or in part, by an Authorized User for its convenience, at any time up to sixty (60) days advance written notice to the Contractor. There are no other costs or obligations for termination for convenience.

53. SERVICES PRICING

Contractor will provide the Services as delineated in the Schedule herein at the prices identified in Contractor's response to solicitation IFB 3 2002-022 for a period not to exceed two (2) years. Services price increases for additional periods shall be effective on the anniversary date for each succeeding year after the initial two years. All increases will be governed by the CPI-W index entitled "Other Services". The percentage increase shall not exceed the above index's most recent percentage available to the Commonwealth as published by the Bureau of Labor Statistic's, Philadelphia Office. If prices remain the same or decrease for succeeding years, the State shall be afforded the opportunity to renew the Services at the lowest price available to any other customer.

54. **eVA BUSINESS-TO-GOVERNMENT CONTRACTS:**

The eVA Internet electronic procurement solution, web site portal www.eva.state.va.us , streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

As a vendor desiring to provide goods and/or services to the Commonwealth the contractor shall participate in the eVA Internet e-procurement solution and agree to the comply with the following:

- a. Submit a fully executed American Management Systems, Inc., (AMS) Trading Partner Agreement, a copy of which can be accessed and downloaded from www.eva.state.va.us. AMS is the Commonwealth's service provider to implement and host the eVA e-procurement solution.
- b. Provide an electronic catalog (price list) for items awarded under a term contract. The format of this electronic catalog shall conform to the eVA Catalog Interchange Format (CIF) Specification that can be accessed and downloaded from www.eva.state.va.us.

The contractor's failure to comply with the above requirements shall entitle the Commonwealth to terminate this contract at anytime without penalty.

ATTACHMENT "A"
TO
AGREEMENT VA- _____ - ____
FOR THE
VIRGINIA DEPARTMENT OF _____

CERTIFICATION REGARDING LOBBYING

The undersigned certifies, to the best of his or her knowledge and belief, that:

- a. No Federal appropriated funds have been paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal Contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal Contract, grant, loan, or cooperative agreement.
- b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal Contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- c. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and Contracts under grants, loans and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Commonwealth of Virginia General Requirements

The minimum number of course offerings in each category to be considered for award shall be:

350 IT Professional Development courses

200 Desktop Apps/ End User Computing courses

MindLeaders has a Technical course library includes 450 courses on a variety of technical, mainframe, IT certification study guides and web development topics. The End User library offers 254 courses on popular desktop computing and Business Skills development topics. For a listing of the entire MindLeaders course library, please refer to the attached document: Course List.

The following delivery mediums must be provided, but are not limited to:

DESKTOP based (DISKETTE/CD-ROM/DVD-ROM) (or other recorded mail-able medium)
WEB Based (Inter/Intranet, on-line or downloadable)
LAN Based (Customer Server, On Line or downloadable)

MindLeaders offers courses in the following mediums:

Internet (playable from a browser or downloadable)

Intranet (playable from a browser or downloadable)

LAN

CD-ROM

The following course features must be provided, but are not limited to:

Skill Assessments

MindLeaders courses offer the student both pre and post course skill assessment to determine existing levels of knowledge on the various topics covered in the course. This gives the student the opportunity to determine areas of mastery and non-mastery. The student is shown their scores on screen at the end of the pre-test or at any point that they choose throughout the course. Based on the pre-test, a custom learning path is created, giving the student the option to complete only the sections not previously mastered. This path can be taken for rapid learning or the student can choose to take the entire course. The pre and post course skill assessment questions include all varieties of answer formats including not only multiple choice and true-false questions, but also matching, text entry and multi-step task based simulation questions.

HELP Feature

Each course has a Help button on the course navigation bar. Help offers discussion on a variety of course specific and general courseware topics such as:

About This Course

Using the Toolbar

Searching the Course

Interpreting Your Skill Assessment Scores.

MindLeaders also offers the Taking a Course mini-course to introduce new students to MindLeaders e-Learning environment. Taking the Course is included at no charge with all license agreements.

For questions regarding the course material, MindLeaders offers the optional Instant Mentoring feature. Instant Mentoring offers real time access to a mentor without leaving the course, 24 hours a day, seven days a week.

Additionally, MindLeaders offers outstanding technical support. MindLeaders technical support routinely exceeds their 95% customer satisfaction benchmark.

Book-marking

All MindLeaders courses provide global book marking on exit of the course, allowing the student to stop mid course and easily return to the appropriate spot to continue at a later date.

30 Day No-Cost Preview

MindLeaders is pleased to offer the Commonwealth of Virginia a no cost 30 day demonstration period of the MindLeaders e-Learning Solution.

Administrative Features

Registration

The MindLeaders' Web Administrator offers VA administrators quick and convenient options for registering and deleting students.

MindLeaders Web Administration Utility allows VA administrators to determine student groups and the specific course access or non-access that these groups have to courses. The VA administrator may designate a student to multiple groups or no group at all. A student not designated to a specific group will, by default, have access to all courses licensed by VA.

Most commonly, the VA training administrator creates UserIDs for all VA students with students creating their own passwords at initial course sign-on. Passwords can be up to 8 characters long and must contain only letters or numbers; no special characters.

Tracking

The MindLeaders' Web Administrator provides data on student and course usage and their scores to determine the effectiveness of the training. VA course administrators may use the web administration tools to run on demand reports evaluating various aspects of their students' performance and progress.

The web administration tool is menu driven and easy to use; typically the training session for the tool takes less than an hour. Reports can be printed to screen, printed to printer or exported to file. The tool is accessible from the MindLeaders' website or a clients intranet. The Internet Web administrator is an enhanced version of the intranet administrator and offers the following features listed in the response to "reporting" below.

Reporting

The MindLeaders Internet web administration tool offers the following reports:

- **Access Report:** Course usage for a given time period with totals by course
- **Course Report:** Usage by group/course/student with mastery and passing scores indicated and student/course totals by course
- **Courses in Groups Report:** Which courses are in which groups
- **Groups Report:** List of all available groups for this site
- **Student Report:** Usage by group/student/course with mastery and passing scores indicated and course/student totals by student
- **Student Information Report:** List of all students sorted by last name with e-mail address (if entered) and if a password has been created
- **Student Groups Report:** Students by group
- **Student Outstanding Questions Report:** List of questions unanswered by a student resulting in a zero score for that unit/course
- **Download Usage Report:** List of students that have used the download option for courses and which courses that have been downloaded
- **Reference Library Usage Report:** List of students that have used the Reference Library and which titles that have been accessed

Depending on the report selected, the report options include:

- **Report Note:** Report information entered by administrator
- **Courses/Students Per Page:** The number of entries per screen/page
- **Start/End Date:** Reporting period that report should select from
- **Include Student/Unit Details:** Option to include information on which courses were taken by a student and what units in a course were taken
- **Arrange By Site/Group:** Sorting options by site and group
- **Sort By Student Name/ID:** Sorting options by either Name or ID
- **Exclude Zero Courses/Introductory Courses:** Option to exclude data on courses that have no score or the introductory "How to Take a Course" course

Both student and/or course reports may be run on demand and information is available on a real time basis for up-to-the-minute reporting. A client administrator may define the ranges for a given report and these ranges may be changed at will. Arrangement of the report

information may also be administrator defined and records may be sorted by either student name or ID. Either summary reports or detailed reports may be displayed to screen or printed to a TSV (Tab Separated by Value) file. The bottom of each report screen offers a forward/backward page option as well as the ability to jump to a specific page in the report.

Industrial Funding Adjustment (IFA) as specified in the attached Contractual Terms and Conditions herein

MindLeaders will comply with this requirement.

MindLeaders Profile

MindLeaders creates and sells e-Learning that works. Our e-Learning solutions are empowering, engaging and effective with minimal system requirements, easy implementation and exceptional support services. Companies and organizations choose MindLeaders e-Learning solutions for many reasons including:

- Vast e-Learning experience
- Large course library
- Friendly, superior support
- Quality courses, subscription-based pricing and complete course hosting
- One-stop e-Learning solution provider

e-Learning From An Experienced Leader

Since 1981, MindLeaders has maintained a history of being a leader in the e-Learning industry. As an early pioneer in the creation of self-paced training, we have created courseware for presentation through mainframe networks, LANs, stand-alone PCs, intranets and the Internet. We were also one of the first companies capable of presenting all of our courses in real-time through the Internet without the need for special software beyond Microsoft Internet Explorer and Netscape Navigator.

Today, attesting to our leadership position and course quality, over 800 active corporate clients training over 250,000 learners in the U.S. and Canada have chosen e-Learning solutions from MindLeaders. Our customers include such organizations as:

- | | |
|-----------------------------------|--|
| * Lucent Technologies | * Walgreens |
| * Booz-Allen & Hamilton | * The McGraw-Hill Companies |
| * A. G. Edwards & Sons | * U. S. Social Security Administration |
| * The Travelers Insurance Company | |
| * And many others. | |

Large Course Library And Instant Mentoring To Meet Your Diverse Self-Paced e-Learning Needs

Today's corporate training departments require large course libraries to meet their self-paced e-Learning needs. MindLeaders is one of the few e-Learning vendors having a library of over 600 courses providing technical, desktop and business skills training with more courses added each quarter. Furthermore, all MindLeaders courses are created using the same look and feel within our own development department based in the United States.

Our Instant Mentoring feature provides quick access to trained mentors for learners with a question. Learners progressing through a course can submit a question at any time quickly and easily. Answers are quickly returned permitting the learner to increase their understanding of the course material.

Friendly, Superior Customer Support Provides You Answers Quickly

We have always believed providing friendly and superior customer support is crucial to the success of our clients and us. As a result we pride ourselves on fostering a "do-what-it-takes" attitude to help you achieve your training goals and complete satisfaction. Each month customers who report a problem or ask a question rate their satisfaction with the solution we provide providing us with a customer satisfaction rating. At the end of each month, MindLeaders managers review the ratings to learn how we can improve our support. During 2000 our satisfaction rating for support exceeded 99%, and we are maintaining that rating in 2001. Whether you need a simple question answered or a solution to a complex problem, we are always ready to help in every way possible.

High-Quality Training, Subscription-Based Pricing And Complete Course Hosting Reduces Training Manager's Workload And Frees Technical Staff

MindLeaders courses are created using a rigorous instructional design strategy. Each course is designed using Bloom's Taxonomy as a guide to providing thorough skills training. Well-defined learning objectives, interactions and a means to evaluate if learning objectives have been achieved are provided in each course. Interaction within our courses includes both various types of simulations and questions (e.g., matching, fill-in-the-blank, true/false and multiple choice) to maintain learner interest, enhance learning and assess learner progress. When your self-paced training is entrusted to MindLeaders, you can rest assured your learners are receiving what they need.

Subscription-based pricing eliminates guessing what training you will need to provide! Have you ever faced the challenge of trying to determine what training solutions you will need to license for which groups of staff...a year in advance? Many training managers have faced this challenge, and found it very daunting. We created subscription-based pricing to eliminate this challenge by providing access to very large groups of courses for each learner at reasonable prices. All you must do is determine how many learners need technical, desktop or business skills training.

Our complete hosting solution provides you with a turnkey solution for providing self-paced training quickly and easily. Gone are the days of trying to schedule time with technical staff to install your courses! Gone are the days of reinstalling courses whenever new versions or new courses are introduced! MindLeaders provides complete hosting of all courses you license from us, and we provide you with secure access to all training manager functions through either the Microsoft Internet Explorer or Netscape Navigator browsers...anytime, anywhere. Of course, if you prefer to host our e-Learning solutions on your own servers, we have minimal system requirements and easy installation.

MindLeaders — Your One-Stop Provider For e-Learning That Works!

Extensive experience, large course library, superior support, quality courseware, subscription-based pricing and hosting services comprise a total e-Learning solution for all your self-paced training needs.

Before you make any self-paced e-Learning decisions, you owe it to yourself to consider MindLeaders!

MindLeaders

e-Learning that works.

CCNA: 9 Bridges and Switches (SCOC09)
CCNA: 10 TCP/IP Networking (SCOC10)
CCNA: 11 IP Addressing (SCOC11)
CCNA: 12 IP Routing (SCOC12)
CCNA: 13 IPX Networking (SCOC13)
CCNA: 14 Network Security and Control (SCOC14)
CCNA: 15 Additional Configurations (SCOC15)
CCNA: 16 Exam Preparation 1 (SCOC16)
CCNA: 17 Exam Preparation 2 (SCOC17)
CCNA: 18 Numbering Systems (SCOC18)

Client/Server

Client/Server: Technology for Managers (CSTC01)

Data Warehousing Series

Data Warehousing: 1 Concepts (DWHC01)
Data Warehousing: 2 Management (DWHC02)

FOCUS Series

FOCUS: 1 Getting Started (FOCS01)
FOCUS: 2 Working with FOCUS (FOCS02)
FOCUS: 3 Basic Report Preparation (FOCS03)
FOCUS: 4 Creating Simple Reports (FOCS04)
FOCUS: 5 Creating Complex Reports (FOCS05)
FOCUS: 6 Additional Reporting Techniques (FOCS06)
FOCUS: 7 Fundamentals of Graphs (FOCS07)
FOCUS: 8 Advanced Graph Topics (FOCS08)
FOCUS: 9 Data Manipulation for Reporting (FOCS09)
FOCUS: 10 Advanced Screening Techniques (FOCS10)
FOCUS: 11 Creating File Definitions (FOCS11)
FOCUS: 12 Adjusting File Definitions (FOCS12)
FOCUS: 13 Accessing External Files (FOCS13)
FOCUS: 14 Basic MODIFY Requests (FOCS14)
FOCUS: 15 Segment Modification (FOCS15)
FOCUS: 16 Complex MODIFY Requests (FOCS16)
FOCUS: 17 Additional File Maintenance (FOCS17)
FOCUS: 18 Dialogue Manager and FIDEL (FOCS18)
FOCUS: 19 More Features of FIDEL (FOCS19)
FOCUS: 20 MAINTAIN Facility (FOCS20)
FOCUS: 21 Completing a MAINTAIN Application (FOCS21)

LANs Series

LANs: 1 Network Basics (LANC01)
LANs: 2 Hardware and Software (LANC02)
LANs: 3 Internetworking (LANC03)

✓ New courses released October 2001

MindLeaders

e-Learning that works.

Course List - October 2001

Technical General (Continued)

Networking for Technical Users Series

Networking: 1 Technical Information	(NETW02)
Networking: 2 Hardware and Software	(NETW03)

Notes 5 Programming Series

Notes 5 Programming: 1 Designing in Domino	(N5PR01)
Notes 5 Programming: 2 Pages and Forms	(N5PR02)
Notes 5 Programming: 3 Organizing Info	(N5PR03)
Notes 5 Programming: 4 Scripting	(N5PR04)
Notes 5 Programming: 5 LotusScript	(N5PR05)
Notes 5 Programming: 6 Java	(N5PR06)

Novell 560 CNE Series

Novell 560 CNE: 1 NetWare Basics	(560C01)
Novell 560 CNE: 2 Installation	(560C02)
Novell 560 CNE: 3 Using NDS	(560C03)
Novell 560 CNE: 4 File System	(560C04)
Novell 560 CNE: 5 NDS Security	(560C05)
Novell 560 CNE: 6 File Security	(560C06)
Novell 560 CNE: 7 ZENworks	(560C07)
Novell 560 CNE: 8 Advanced ZENworks	(560C08)
Novell 560 CNE: 9 Distributed Printing	(560C09)

Novell 570 CNE Advanced Administration Series

Novell 570 CNE Advanced Administration: 1 Upgrading or Migrating	(570C01)
Novell 570 CNE Advanced Administration: 2 Managing the Server	(570C02)
Novell 570 CNE Advanced Administration: 3 The File System	(570C03)
Novell 570 CNE Advanced Administration: 4 NSS and Backup	(570C04)
Novell 570 CNE Advanced Administration: 5 Memory and PCU Performance	(570C05)
Novell 570 CNE Advanced Administration: 6 Disk and Network Performance	(570C06)

Object-Oriented Analysis and Design Series

Object-Oriented Analysis and Design: 1 Intro	(OADC01)
Object-Oriented Analysis and Design: 2 System	(OADC02)

OOP Using C++ Series

OOP Using C++: Week 1	(CPPC01)
OOP Using C++: Week 2	(CPPC02)
OOP Using C++: Week 3	(CPPC03)

Oracle Series

Oracle: 1 Introduction to PL/SQL	(PLSC01)
Oracle: 2 Overview of Developer/2000	(ORDC01)
Oracle: 3 Forms 4.5 and Reports 2.5	(ORDC02)
Oracle: 4 Graphics 2.5 and Procedure Builder 1.5	(ORDC03)
Oracle: 5 Developer/2000 Applications	(ORDC04)
Oracle: 6 Developer/2000 Integration	(ORDC05)

Oracle8 Series

Oracle8: 1 Installing Oracle	(ORCC01)
Oracle8: 2 Database Management	(ORCC02)
Oracle8: 3 Building Databases	(ORCC03)
Oracle8: 4 Files, Data, and Users	(ORCC04)
Oracle8: 5 Database Schema Objects	(ORCC05)
Oracle8: 6 Processes and Security	(ORCC06)
Oracle8: 7 Backup and Recovery	(ORCC07)

PowerBuilder 5.0 Series

PB 5.0: 1 PowerBuilder 5 Overview	(PB5TC1)
PB 5.0: 2 Getting Started with PowerBuilder 5	(PB5TC2)
PB 5.0: 3 Using PowerScript	(PB5TC3)
PB 5.0: 4 Using DataWindows	(PB5TC4)
PB 5.0: 5 Delivering the Final Product	(PB5TC5)

PowerBuilder 6 Series

PowerBuilder 6: 1 Introducing PowerBuilder	(P6BC01)
PowerBuilder 6: 2 Design Concepts	(P6BC02)
PowerBuilder 6: 3 Building Objects	(P6BC03)
PowerBuilder 6: 4 Building Windows	(P6BC04)
PowerBuilder 6: 5 Event Programming	(P6BC05)
PowerBuilder 6: 6 PowerScript and SQL	(P6BC06)
PowerBuilder 6: 7 Creating DataWindows	(P6BC07)
PowerBuilder 6: 8 Using DataWindows	(P6BC08)
PowerBuilder 6: 9 Reviewing an Application	(P6BC09)
PowerBuilder 6: 10 The Final Product	(P6BC10)

RDBMS

RDBMS Fundamentals: Database Principles	(RDBC01)
---	----------

RPG IV Programming Series

RPG IV Programming: 1 Introduction to RPG	(RPGI01)
RPG IV Programming: 2 Getting Started with RPG	(RPGI02)
RPG IV Programming: 3 Defining Data	(RPGI03)
RPG IV Programming: 4 Arithmetic Operations	(RPGI04)
RPG IV Programming: 5 Flow of Control	(RPGI05)
RPG IV Programming: 6 Externally Described Files	(RPGI06)
RPG IV Programming: 7 File Access and Record Manipulation	(RPGI07)
RPG IV Programming: 8 Interactive applications	(RPGI08)
RPG IV Programming: 9 Tables and Arrays	(RPGI09)
RPG IV Programming: 10 Modular Programming	(RPGI10)
RPG IV Programming: 11 Advanced Data Definition	(RPGI11)
RPG IV Programming: 12 Advanced Techniques	(RPGI12)
RPG IV Programming: 13 Maintaining the Past	(RPGI13)

Course List - October 2001

Technical General (continued)

SAS 8 Series

SAS 8: 1 Introduction	(SASS01)
SAS 8: 2 Using SAS	(SASS02)
SAS 8: 3 Data Manipulation	(SASS03)
SAS 8: 4 DATA Step Programming	(SASS04)
SAS 8: 5 Results	(SASS05)
SAS 8: 6 Display Manager System	(SASS06)
SAS 8: 7 Data Libraries	(SASS07)
SAS 8: 8 Inputting Data and PROC SQL	(SASS08)
SAS 8: 9 Combining and Updating Data Sets	(SASS09)

SAS Series

SAS: 1 Introduction	(SAS601)
SAS: 2 Using SAS	(SAS602)
SAS: 3 Data Manipulation	(SAS603)
SAS: 4 DATA Step Programming	(SAS604)
SAS: 5 Results	(SAS605)
SAS: 6 Display Manager System	(SAS606)
SAS: 7 Data Libraries	(SAS607)
SAS: 8 Inputting Data and PROC SQL	(SAS608)
SAS: 9 Combining and Updating Data Sets	(SAS609)

Sybase Series

Sybase: 1 Introduction to Sybase	(SYBC01)
Sybase: 2 Using SQL Server	(SYBC02)
Sybase: 3 System Administration	(SYBC03)
Sybase: 4 User Administration	(SYBC04)
Sybase: 5 Programming with T-SQL	(SYBC05)
Sybase: 6 Querying Databases with T-SQL	(SYBC06)
Sybase: 7 T-SQL Commands	(SYBC07)

UNIX Systems Series

UNIX: 1 Introduction to UNIX	(UNXTC1)
UNIX: 2 Shells: Bourne, Korn, and C	(UNXTC3)
UNIX: 3 Shell Programming	(UNXTC4)
UNIX: 4 System Administration I	(UNXTC5)
UNIX: 5 System Administration II	(UNXTC6)
UNIX: 6 Process Management	(UNXTC7)

Visual Basic 4.0 Series

Visual Basic 4.0: 1 Beginning Skills	(VB4TC1)
Visual Basic 4.0: 2 Intermediate Skills	(VB4TC2)
Visual Basic 4.0: 3 Advanced Skills	(VB4TC3)

Visual Basic 5.0 Series

Visual Basic 5.0: 1 Beginning Skills	(VB5C01)
Visual Basic 5.0: 2 Intermediate Skills	(VB5C02)
Visual Basic 5.0: 3 Advanced Skills	(VB5C03)
Visual Basic 5.0: 4 Windows API and ActiveX	(VB5C04)

Visual Basic 6 Series

Visual Basic 6.0: 1 Programming Basics	(V6BC01)
Visual Basic 6.0: 2 Controls and Coding	(V6BC02)
Visual Basic 6.0: 3 Coding the Details	(V6BC03)
Visual Basic 6.0: 4 Lists and More Controls	(V6BC04)
Visual Basic 6.0: 5 Using Supplied Tools	(V6BC05)
Visual Basic 6.0: 6 Data Files and Printing	(V6BC06)
Visual Basic 6.0: 7 Program Tuning	(V6BC07)
Visual Basic 6.0: 8 Delivering the Program	(V6BC08)

Windows 2000 Basics

Windows 2000 Basics: Server	(WINB02)
-----------------------------	----------

Technical Mainframe

CICS/ESA Series

CICS/ESA: 1 Fundamentals	(CICS01)
CICS/ESA: 2 Programming Basics	(CICS02)
CICS/ESA: 3 Advanced Programming	(CICS03)
CICS/ESA: 4 Defining Maps	(CICS04)
CICS/ESA: 5 Generating Maps	(CICS05)
CICS/ESA: 6 Using Maps	(CICS06)

CMS Series

CMS: 1 CMS For New Users	(CMSS01)
CMS: 2 Advanced CMS Functions	(CMSS02)

COBOL Series

COBOL: 1 Basics	(COBS01)
COBOL: 2 Program Structure	(COBS02)
COBOL: 3 Data Structure	(COBS03)
COBOL: 4 Coding the Procedure Division	(COBS04)
COBOL: 5 Completing the Procedure Division	(COBS05)
COBOL: 6 Numerics	(COBS06)
COBOL: 7 Coding Arithmetic Statements	(COBS07)

COBOL (New) Series

COBOL (New): 1 CICS and the New COBOL	(COBN01)
COBOL (New): 2 Migration to the New COBOL	(COBN02)
COBOL (New): 3 Functions in the New COBOL	(COBN03)
COBOL (New): 4 Compiling and Debugging	(COBN04)

COBOL (OS/VS) Series

COBOL (OS/VS): 1 Fundamentals	(COBO01)
COBOL (OS/VS): 2 Program Structure	(COBO02)
COBOL (OS/VS): 3 Data Division	(COBO03)
COBOL (OS/VS): 4 Procedure Division	(COBO04)
COBOL (OS/VS): 5 Completing Your Program	(COBO05)
COBOL (OS/VS): 6 Numerics	(COBO06)
COBOL (OS/VS): 7 Arithmetic Statements	(COBO07)

MindLeaders

e-Learning that works.

Course List - October 2001

Technical Mainframe (continued)

DB2 Series

DB2: 1 The Programming Environment	(DB2S01)
DB2: 2 Row and Table Manipulation	(DB2S02)
DB2: 3 Program Development and Efficiency	(DB2S03)

EASYTRIEVE PLUS

EASYTRIEVE: 1 Using EASYTRIEVE PLUS	(EAST01)
EASYTRIEVE: 2 Enhancing the Program	(EAST02)

ISPF Series

ISPF: 1 User Interface	(ISPF01)
ISPF: 2 Basic Program Development	(ISPF02)
ISPF: 3 Advanced Program Development	(ISPF03)

JCL Series

JCL: 1 Fundamentals of Jobstreams	(JCLS01)
JCL: 2 Data Sets, Procedures, and Output	(JCLS02)
JCL: 3 Specifying Job Information	(JCLS03)
JCL: 4 Controlling the Job Process	(JCLS04)
JCL: 5 Types of Data Sets	(JCLS05)
JCL: 6 Working with Data Sets	(JCLS06)
JCL: 7 Instream and Catalogued Procedures	(JCLS07)
JCL: 8 Coding and Executing Procedures	(JCLS08)
JCL: 9 Modifying Procedures	(JCLS09)

Micro Focus COBOL Workbench Series

MFC Workbench: 1 Getting Started	(MF4TC1)
MFC Workbench: 2 Managing Files	(MF4TC2)
MFC Workbench: 3 Developing Programs	(MF4TC3)
MFC Workbench: 4 Testing Programs	(MF4TC4)
MFC Workbench: 5 Compiling and Testing	(MF4TC5)

MVS Series

MVS: 1 Fundamentals of MVS and JES	(MVSS01)
MVS: 2 Enhancing Performance	(MVSS02)
MVS: 3 Utilities	(MVSS03)
MVS: 4 Basic Operations	(MVSS04)
MVS: 5 Advanced Operations	(MVSS05)

QMF Series

QMF: 1 Fundamentals of QMF	(QMFS01)
QMF: 2 Prompted Query and QBE	(QMFS02)
QMF: 3 Reports	(QMFS03)
QMF: 4 Additional Formatting Techniques	(QMFS04)

REXX Series

REXX Programming: 1 Introducing REXX	(REXS01)
REXX Programming: 2 Advanced REXX features	(REXS02)

SQL Series

SQL: 1 Database Maintenance	(SQLS01)
SQL: 2 Database Objects	(SQLS02)
SQL: 3 Query Techniques	(SQLS03)
SQL: 4 Joining Tables	(SQLS04)

TSO/E Series

TSO/E: 1 CLISTs	(TSOC01)
TSO/E: 2 Advanced Features	(TSOC02)

VSAM

VSAM: Fundamentals	(VSAM01)
VSAM: Advanced Features	(VSAM02)

XEDIT Series

XEDIT: 1 XEDIT for New Users	(XEDS01)
XEDIT: 2 Advanced XEDIT Functions	(XEDS02)

Technical MCSE

Exchange Server 4 Series

Exchange Server 4.0: 1 Planning	(EXCTC2)
Exchange Server 4.0: 2 Installing and Configuring	(EXCTC3)
Exchange Server 4.0: 3 Administering and Managing	(EXCTC4)

Exchange Server 5.0 Series

Exchange Server 5.0: 1 Planning	(ES5C01)
Exchange Server 5.0: 2 Configuration	(ES5C02)
Exchange Server 5.0: 3 Installation	(ES5C03)
Exchange Server 5.0: 4 Managing	(ES5C04)
Exchange Server 5.0: 5 Monitoring	(ES5C05)
Exchange Server 5.0: 6 Troubleshooting	(ES5C06)
Exchange Server 5.0: 7 Site Solutions	(ES5C07)

Exchange Server 5.5 Series

Exchange Server 5.5: 1 Planning	(X55C01)
Exchange Server 5.5: 2 Strategies	(X55C02)
Exchange Server 5.5: 3 Installing	(X55C03)
Exchange Server 5.5: 4 Configuring	(X55C04)
Exchange Server 5.5: 5 Managing	(X55C05)
Exchange Server 5.5: 6 Monitoring	(X55C06)
Exchange Server 5.5: 7 Troubleshooting	(X55C07)
Exchange Server 5.5: 8 Connectivity	(X55C08)
Exchange Server 5.5: 9 Site Solutions	(X55C09)

✓ New courses released October 2001

MindLeaders

Course List - October 2001

Technical MCSE (continued)

IIS 4 Series

IIS 4: 1 Internet Information Server Basics	(IISC01)
IIS 4: 2 Architecture and Components	(IISC02)
IIS 4: 3 Configuration	(IISC03)
IIS 4: 4 The WWW Server	(IISC04)
IIS 4: 5 The FTP Service	(IISC05)
IIS 4: 6 Security	(IISC06)
IIS 4: 7 Microsoft Certification Server	(IISC07)
IIS 4: 8 The SMTP Server	(IISC08)
IIS 4: 9 The NNTP Server	(IISC09)
IIS 4: 10 Microsoft Index Server	(IISC10)
IIS 4: 11 Programmability	(IISC11)
IIS 4: 12 Performance Tuning	(IISC12)
IIS 4: 13 Site Analysis	(IISC13)
IIS 4: 14 Troubleshooting	(IISC14)

Networking Essentials Series

Networking Essentials: 1 Terminology	(NESC01)
Networking Essentials: 2 Standards	(NESC02)
Networking Essentials: 3 Planning a Topology	(NESC03)
Networking Essentials: 4 Planning Connections	(NESC04)
Networking Essentials: 5 Implementation	(NESC05)
Networking Essentials: 6 Troubleshooting	(NESC06)

SQL Server 6.5 Series

SQL Server 6.5: 1 Introduction	(SQSC01)
SQL Server 6.5: 2 Installation and Setup	(SQSC02)
SQL Server 6.5: 3 Users and Replication	(SQSC03)
SQL Server 6.5: 4 Database Administration	(SQSC04)
SQL Server 6.5: 5 System Management	(SQSC05)
SQL Server 6.5: 6 Tuning for Performance	(SQSC06)

SQL Server 7 Admin Series

SQL Server 7 Admin: 1 Security Strategy	(LA7C01)
SQL Server 7 Admin: 2 System Requirements	(LA7C02)
SQL Server 7 Admin: 3 Migration Planning	(LA7C03)
SQL Server 7 Admin: 4 Replication Plans	(LA7C04)
SQL Server 7 Admin: 5 Installing the Server	(LA7C05)
SQL Server 7 Admin: 6 Other Installations	(LA7C06)
SQL Server 7 Admin: 7 Configuring	(LA7C07)
SQL Server 7 Admin: 8 Security Management	(LA7C08)
SQL Server 7 Admin: 9 Managing Accounts	(LA7C09)
SQL Server 7 Admin: 10 Managing Permissions	(LA7C10)
SQL Server 7 Admin: 11 Database Management	(LA7C11)
SQL Server 7 Admin: 12 Loading Databases	(LA7C12)
SQL Server 7 Admin: 13 Backups and Restores	(LA7C13)
SQL Server 7 Admin: 14 Managing Replication	(LA7C14)
SQL Server 7 Admin: 15 Management Tasks	(LA7C15)
SQL Server 7 Admin: 16 Monitoring Events	(LA7C16)
SQL Server 7 Admin: 17 Watching & Optimizing	(LA7C17)
SQL Server 7 Admin: 18 Server Repair	(LA7C18)
SQL Server 7 Admin: 19 More Troubleshooting	(LA7C19)

TCP/IP Series

TCP/IP: 1 Introduction to TCP/IP Concepts	(TCPC01)
TCP/IP: 2 Data Delivery and Routing	(TCPC02)
TCP/IP: 3 Microsoft TCP/IP and IIS	(TCPC03)
TCP/IP: 4 Printing Services and DHCP	(TCPC04)
TCP/IP: 5 Name Resolution and WINS	(TCPC05)
TCP/IP: 6 Introduction to DNS Server	(TCPC06)
TCP/IP: 7 Managing DNS and TCP/IP	(TCPC07)
TCP/IP: 8 Utilities for Monitoring TCP/IP	(TCPC08)
TCP/IP: 9 Performance Monitor and RAS	(TCPC09)
TCP/IP: 10 PPTP and Troubleshooting	(TCPC10)

Windows 2000 Active Directory MCSE 70-217 Series

Windows 2000 Active Directory MCSE 70-217: 1 Preparing for Active Directory	(W21701)
Windows 2000 Active Directory MCSE 70-217: 2. Building an Active Directory Structure	(W21702)
Windows 2000 Active Directory MCSE 70-217: 3 Administering Active Directory Services	(W21703)
Windows 2000 Active Directory MCSE 70-217: 4 Managing Servers	(W21704)

Windows 2000 Network Administration MCSE 70-216 Series

Windows 2000 Network Administration MCSE 70-216: 1 Working with DNS and DHCP	(W21601)
Windows 2000 Network Administration MCSE 70-216: 2 Working with Remote Access	(W21602)
Windows 2000 Network Administration MCSE 70-216: 3 Working with Network Protocols	(W21603)

Windows 2000 Network Design MCSE 70-221 Series

Windows 2000 Network Design MCSE 70-221: 1 Analyzing Business Needs	(W22101)
Windows 2000 Network Design MCSE 70-221: 2 Analyzing Technical Needs	(W22102)
Windows 2000 Network Design MCSE 70-221: 3 Infrastructure Design	(W22103)

✓ New courses released October 2001

Course List - October 2001

Technical MCSE (continued)

Windows 2000 Professional Series MCSE 70-210 Series

- Windows 2000 Prof MCSE 70-210: 1 Installation (WINP01)
- Windows 2000 Prof MCSE 70-210: 2 Remote Installation and Upgrades (WINP02)
- Windows 2000 Prof MCSE 70-210: 3 Administering Resource(WINP03)
- Windows 2000 Prof MCSE 70-210: 4 Administering Shared Resources (WINP04)
- Windows 2000 Prof MCSE 70-210: 5 Managing Disks (WINP05)
- Windows 2000 Prof MCSE 70-210: 6 Managing Hardware (WINP06)
- Windows 2000 Prof MCSE 70-210: 7 Monitoring and Optimizing Your System (WINP07)
- Windows 2000 Prof MCSE 70-210: 8 Configuring Your Desktop (WINP08)
- Windows 2000 Prof MCSE 70-210: 9 Networking with Windows 2000 Professional (WINP09)
- Windows 2000 Prof MCSE 70-210: 10 Using TCP/IP (WINP10)
- Windows 2000 Prof MCSE 70-210: 11 Managing Users and Groups (WINP11)
- Windows 2000 Prof MCSE 70-210: 12 Securing Your System (WINP12)

Windows 2000 Server MCSE 70-215 Series

- Windows 2000 Server MCSE 70-215: 1 Installation (W21501)
- Windows 2000 Server MCSE 70-215: 2 Hardware (W21502)
- Windows 2000 Server MCSE 70-215: 3 Controlling Access to Files and Folders (W21503)
- Windows 2000 Server MCSE 70-215: 4 Controlling Access to Web Resources and Printers (W21504)
- Windows 2000 Server MCSE 70-215: 5 Optimizing Your Server(W21505)
- Windows 2000 Server MCSE 70-215: 6 Recovering from Disaster(W21506)
- Windows 2000 Server MCSE 70-215: 7 Configuring Disks and Volumes (W21507)
- Windows 2000 Server MCSE 70-215: 8 Administering Disks (W21508)
- Windows 2000 Server MCSE 70-215: 9 Networking Your Server(W21509)
- Windows 2000 Server MCSE 70-215: 10 Implementing Remote Access (W21510)
- Windows 2000 Server MCSE 70-215: 11 Implementing Terminal Services (W21511)
- Windows 2000 Server MCSE 70-215: 12 Using Security Features(W21512)

Windows NT Server Enterprise 4.0 Series

- WinNT Server 4.0 Enterprise: 1 Configuration (NTETC1)
- WinNT Server 4.0 Enterprise: 2 Connectivity (NTETC2)

Windows NT Server 4.0 Series

- WinNT Server 4.0: 1 Planning and Installation (NTSTC1)
- WinNT Server 4.0: 2 Configuration (NTSTC2)
- WinNT Server 4.0: 3 Resource Management (NTSTC3)
- WinNT Server 4.0: 4 Monitoring and Troubleshooting (NTSTC4)

Windows NT Workstation 4.0 Series

- NT Workstation 4.0: 1 Installation & Configuration (NT4TC2)
- NT Workstation 4.0: 2 Connectivity & Resource Mgmt. (NT4TC3)
- NT Workstation 4.0: 3 Troubleshooting (NT4TC4)

Technical Web Development

CGI/Perl Series

- CGI/Perl: 1 Getting Familiar with Forms (CGPC01)
- CGI/Perl: 2 Building Programs (CGPC02)
- CGI/Perl: 3 Web Applications (CGPC03)
- CGI/Perl: 4 Interacting with Databases (CGPC04)

Dynamic HTML Series

- Dynamic HTML: 1 DHTML and Style Sheets (DHTC01)
- Dynamic HTML: 2 Using JavaScript (DHTC02)
- Dynamic HTML: 3 Objects and Events (DHTC03)
- Dynamic HTML: 4 Styles and Content (DHTC04)
- Dynamic HTML: 5 Data from Other Sources (DHTC05)

E-Commerce Series

- E-Commerce: 1 Your E-Business (ECOM01)
- E-Commerce: 2 Getting Started (ECOM02)
- E-Commerce: 3 Influences on E-Commerce (ECOM03)
- E-Commerce: 4 Killer Apps (ECOM04)
- E-Commerce: 5 Developing Your E-Business (ECOM05)
- E-Commerce: 6 Real-Time and Data Mining (ECOM06)
- E-Commerce: 7 Lowering Your Business Costs (ECOM07)
- E-Commerce: 8 Customer Service and Payment (ECOM08)
- E-Commerce: 9 Marketing Your E-Business (ECOM09)
- E-Commerce: 10 Advertising on the Internet (ECOM10)
- E-Commerce: 11 Building Marketing Strategy (ECOM11)
- E-Commerce: 12 Resource Planning (ECOM12)
- E-Commerce: 13 Managing Your E-Business (ECOM13)

FrontPage

- FrontPage 97: Creating a Web Site (FPGC01)
- FrontPage 98: Creating a Web Site (FP8C01)

✓ New courses released October 2001

MindLeaders

e-Learning that works.

Course List - October 2001

Technical Web Development (continued)

FrontPage 2000 Series

FrontPage 2000: 1 Creating Web Sites	(FTPG01)
FrontPage 2000: 2 Building Pages	(FTPG02)
FrontPage 2000: 3 Working with Images	(FTPG03)
FrontPage 2000: 4 Adding Spark to Your Site	(FTPG04)

GUI Design Series

GUI Design: 1 Planning an Interface	(GUIC01)
GUI Design: 2 Developing an Interface	(GUIC02)
GUI Design: 3 Designing Screen Elements	(GUIC03)

HTML Series

HTML: 1 Start Creating Your Own Web Pages	(HTLC01)
HTML: 2 Creating High Quality Web Graphics	(HTLC02)
HTML: 3 Layout and Design for Your Web Pages	(HTLC03)
HTML: 4 Making Your Web Pages Interactive	(HTLC04)
HTML: 5 Start Using JavaScript	(HTLC05)
HTML: 6 Using JavaScript for Interactivity	(HTLC06)
HTML: 7 Using Advanced JavaScript	(HTLC07)

JAVA 1.1 Series

Java 1.1: 1 Writing Java Programs	(JJAC01)
Java 1.1: 2 Java Programming Basics	(JJAC02)
Java 1.1: 3 Using Objects and Arrays	(JJAC03)
Java 1.1: 4 Creating Java Applets	(JJAC04)
Java 1.1: 5 Graphics and User Events	(JJAC05)
Java 1.1: 6 Putting Your Skills to Work	(JJAC06)

JAVA 1.2 Series

Java 1.2: 1 Writing Java Programs	(JVVC01)
Java 1.2: 2 Java Programming Basics	(JVVC02)
Java 1.2: 3 Using Objects and Arrays	(JVVC03)
Java 1.2: 4 Creating Java Applets	(JVVC04)
Java 1.2: 5 Graphics and User Events	(JVVC05)
Java 1.2: 6 Putting Your Skills to Work	(JVVC06)

PhotoShop Series

PhotoShop: 1 Managing Graphics Files	(PHSC01)
PhotoShop: 2 Colors, Brushes, and Printing	(PHSC02)
PhotoShop: 3 Selecting and Retouching	(PHSC03)
PhotoShop: 4 Text, Fills, and Actions	(PHSC04)
PhotoShop: 5 Using Layers and Plug-Ins	(PHSC05)
PhotoShop: 6 Manipulating Images	(PHSC06)

Visual InterDev 6 Series

Visual InterDev 6: 1 Learning the Basics	(VIDC01)
Visual InterDev 6: 2 Using HTML	(VIDC02)
Visual InterDev 6: 3 Dynamic Content	(VIDC03)
Visual InterDev 6: 4 Objects and Databases	(VIDC04)
Visual InterDev 6: 5 DataBase Interaction	(VIDC05)
Visual InterDev 6: 6 Active Server Pages	(VIDC06)
Visual InterDev 6: 7 Controls and Scripts	(VIDC07)
Visual InterDev 6: 8 Testing and Debugging	(VIDC08)
Visual InterDev 6: 9 Management and Design	(VIDC09)

Web Design & Graphics Series

Web Design & Graphics: 1 Introduction to Design	(WBDS01)
Web Design & Graphics: 2 Making Your Site Fast and Viewable	(WBDS02)
Web Design & Graphics: 3 Building Your Site with Images	(WBDS03)
Web Design & Graphics: 4 Building Your Site with Formatting	(WBDS04)
Web Design & Graphics: 5 Using Other Tools	(WBDS05)

XML Series

XML: 1 Viewing and Understanding XML	(XMLC01)
XML: 2 Creating a Basic Document	(XMLC02)
XML: 3 Building DTDs and Checking Documents	(XMLC03)
XML: 4 Entities	(XMLC04)
XML: 5 The Document Object Model	(XMLC05)
XML: 6 CSS and XSL Style Sheets	(XMLC06)

Total Number of Courses:

Technical General	188
Technical Mainframe	69
Technical MCSE	117
Technical Web Development	76
Total	450

Course List - October 2001

To help you locate courses more easily, the End User Courses have been arranged into the following topic areas: Business Skills Development, Desktop Computing, Home and Small Business.

END USER BUSINESS SKILLS DEVELOPMENT

Basics of Business Math Series

Basics of Business Math: 1 Fractions	(MATH01)
Basics of Business Math: 2 Decimals	(MATH02)
Basics of Business Math: 3 Calculator	(MATH03)
Basics of Business Math: 4 Equations	(MATH04)
Basics of Business Math: 5 Percents	(MATH05)
Basics of Business Math: 6 Reports	(MATH06)

Business Communication Series

Business Communication: 1 Writing Skills	(BCSC01)
Business Communication: 2 Forms of Writing	(BCSC02)
Business Communication: 3 Documentation	(BCSC03)

Business Management Series

Business Management: 1 Pressure	(BUSM01)
Business Management: 2 The Three C's	(BUSM02)
Business Management: 3 Visualization	(BUSM03)
Business Management: 4 Stress Management	(BUSM04)
Business Management: 5 Project Management	(BUSM05)
Business Management: 6 Project Resources	(BUSM06)

Customer Service Series

Customer Service: 1 Defining Service	(CUSC01)
Customer Service: 2 Communicating	(CUSC02)
Customer Service: 3 Fixing Problems	(CUSC03)
Customer Service: 4 Building a Department	(CUSC04)
Customer Service: 5 Tools of the Trade	(CUSC05)

Grammar Series

Grammar: 1 Fundamental Sentence Structures	(GRAM01)
Grammar: 2 Punctuation	(GRAM02)
Grammar: 3 Complex Sentence Structures	(GRAM03)
Grammar: 4 Advanced Grammar	(GRAM04)

Motivation Series

Motivation: 1 Leading with a Vision	(MOTC01)
Motivation: 2 Communicating	(MOTC02)
Motivation: 3 Rewarding and Correcting	(MOTC03)
Motivation: 4 Performance and Training	(MOTC04)
Motivation: 5 Building Trust	(MOTC05)

Negotiating Series

Negotiating: 1 Negotiating Techniques	(NGOC01)
Negotiating: 2 Gaining Control	(NGOC02)
Negotiating: 3 Closing the Deal	(NGOC03)
Negotiating: 4 Everyday Negotiations	(NGOC04)

Sexual Harassment Series

Sexual Harassment: 1 Understanding the Issues	(HARA01)
Sexual Harassment: 2 Understanding the Law	(HARA02)
Sexual Harassment: 3 Assessing the Problem Situations	(HARA03)
Sexual Harassment: 4 Responding Effectively	(HARA04)
Sexual Harassment: 5 Designing Policies and Procedures	(HARA05)
Sexual Harassment: 6 Federal and State Law	(HARA06)
Sexual Harassment: 7 Common Law Tort Actions	(HARA07)

Time Management Series

Time Management: 1 Introduction	(TMSC101)
Time Management: 2 Meetings	(TMSC102)
Time Management: 3 Managing Work	(TMSC103)
Time Management: 4 Co-Workers	(TMSC104)

END USER/DESKTOP COMPUTING

Access 2000 MOUS Series

Access 2000 MOUS: 1 Creating Databases	(A2KM01)
Access 2000 MOUS: 2 Building Tables	(A2KM02)
Access 2000 MOUS: 3 Modifying Tables	(A2KM03)
Access 2000 MOUS: 4 Sorting and Filtering	(A2KM04)
Access 2000 MOUS: 5 Relationships and Queries	(A2KM05)
Access 2000 MOUS: 6 Building Forms	(A2KM06)
Access 2000 MOUS: 7 Producing Reports	(A2KM07)
Access 2000 MOUS: 8 Advanced Tasks	(A2KM08)

Computer Basics

Computer Basics: Using Your PC	(CMBC01)
--------------------------------	----------

Computing Concepts Series

Computing Concepts: 1 Types of Security	(COMC01)
Computing Concepts: 2 Security Risks	(COMC02)
Computing Concepts: 3 Database Basics	(COMC03)
Computing Concepts: 4 Selecting Databases	(COMC04)
Computing Concepts: 5 Data Processing	(COMC05)
Computing Concepts: 6 Managing Data	(COMC06)
Computing Concepts: 7 Teleprocessing	(COMC07)
Computing Concepts: 8 Transmitting Data	(COMC08)
Computing Concepts: 9 Messages	(COMC09)

Crystal Reports 8 Series

Crystal Reports 8: 1 Getting Started	(CRYS01)
Crystal Reports 8: 2 Designing a Report	(CRYS02)
Crystal Reports 8: 3 Selecting Records	(CRYS03)
Crystal Reports 8: 4 Sorting and Grouping Data	(CRYS04)
Crystal Reports 8: 5 Creating Summary Totals, Reports, and Graphs	(CRYS05)
Crystal Reports 8: 6 Formulas and Functions	(CRYS06)
Crystal Reports 8: 7 Printing and Exporting	(CRYS07)
Crystal Reports 8: 8 Linking Tables	(CRYS08)

European Computer Driving Licence Series

- European Computer Driving Licence: 1 Understanding Information Technology (EIDL01)
- European Computer Driving Licence: 2 Using the Computer and Managing Files (EIDL02)
- European Computer Driving Licence: 3 Word Processing (EIDL03)
- European Computer Driving Licence: 4 Creating and Using Spreadsheets (EIDL04)
- European Computer Driving Licence: 5 Creating and Using Databases (EIDL05)
- European Computer Driving Licence: 6 Building and Delivering Presentations (EIDL06)
- European Computer Driving Licence: 7 The World Wide Web and Electronic Mail (EIDL07)

Excel 2000 MOUS Expert Series

- Excel 2000 MOUS Expert: 1 Importing and Exporting Data (E2KE01)
- Excel 2000 MOUS Expert: 2 Working with Templates, Links, and Report Manager (E2KE02)
- Excel 2000 MOUS Expert: 3 Formatting, Sorting, and Filtering Data (E2KE03)
- Excel 2000 MOUS Expert: 4 Naming Ranges, Working with Macros, and Customizing Toolbars (E2KE04)
- Excel 2000 MOUS Expert: 5 Validating and Auditing Data (E2KE05)
- Excel 2000 MOUS Expert: 6 Analyzing Data and Using PivotTables (E2KE06)
- Excel 2000 MOUS Expert: 7 Sharing Work and Adding Security (E2KE07)

Excel 2000 MOUS Series

- Excel 2000 MOUS: 1 Working with Cells (E2KM01)
- Excel 2000 MOUS: 2 Working with Files (E2KM02)
- Excel 2000 MOUS: 3 Formatting Worksheets (E2KM03)
- Excel 2000 MOUS: 4 Page Setup and Printing (E2KM04)
- Excel 2000 MOUS: 5 Worksheets and Workbooks (E2KM05)
- Excel 2000 MOUS: 6 Formulas and Functions (E2KM06)
- Excel 2000 MOUS: 7 Charts and Objects (E2KM07)

Exchange Series

- Exchange 4.0: 1 Using Microsoft Exchange (EXCTC1)
- Exchange 5.0: 1 Using Microsoft Exchange 5.0 (EX5C01)

GroupWise 5.5 Series

- GroupWise 5.5: 1 Getting Started with GroupWise (GROU01)
- GroupWise 5.5: 2 Creating and Sending Messages (GROU02)
- GroupWise 5.5: 3 Organizing Your Mailbox (GROU03)
- GroupWise 5.5: 4 Calendar, Task, and Phone Features (GROU04)
- GroupWise 5.5: 5 Managing Documents and Folders (GROU05)
- GroupWise 5.5: 6 Advanced GroupWise Features (GROU06)

International Computer Driving Licence Series

- International Computer Driving Licence: 1 Understanding Information Technology (ICDL01)
- International Computer Driving Licence: 2 Using the Computer and Managing Files (ICDL02)
- International Computer Driving Licence: 3 Word Processing (ICDL03)
- International Computer Driving Licence: 4 Creating and Using Spreadsheets (ICDL04)
- International Computer Driving Licence: 5 Creating and Using Databases (ICDL05)
- International Computer Driving Licence: 6 Building and Delivering Presentations (ICDL06)
- International Computer Driving Licence: 7 The World Wide Web and Electronic Mail (ICDL07)

Internet/Internet Explorer Series

- Internet: A Beginner's Guide (INTC01)
- Internet Explorer 3.0: A Beginner's Guide (IEXC01)
- Internet Explorer 4.0: A Beginner's Guide (IE4C01)
- Internet Explorer 5: 1 Browsing the Web (IE5B01)
- Internet Explorer 5: 2 Using Files and Mail (IE5B02)
- Internet Tools: Internet Explorer (ITEC01)

Internet/Netscape Series

- Netscape Navigator 3.0: A Beginner's Guide (NNVC01)
- Netscape Navigator 4.0: A Beginner's Guide (NN4C01)
- Netscape Communicator 4.0: An Overview (NCMC01)
- Internet Tools: Netscape Navigator (ITNC01)

Lotus Notes 4.6 Series

- Lotus Notes 4.6: 1 Using Notes Mail (LTNC01)
- Lotus Notes 4.6: 2 Using Calendar and Databases (LTNC02)

(Balance in December)

Windows 2000 Network Design Series 70-221
(Balance in December)

Windows 2000 Network Security Design Series 70-220
(On Internet in December, on CD in March, 2002)

Windows XP MCSE Exam
(March and June, 2002)

* Proposed Development Schedule is subject to change without notice. These are estimated dates of completion and course availability is not guaranteed.

Design Philosophy

All MindLeaders courses are designed on Bloom's Taxonomy and Knowles philosophy of adult learning. Courses maintain design consistency of course format and navigational features. Each page of the course is offered in a full screen display for an uncluttered visual appearance. Course questions include a variety of answer formats including not only multiple choice and true-false questions, but also matching, text entry and multi-step task based simulation questions.

Each course is divided into units each consisting of:

- A well defined set of learning objectives.
- A series of interactions that teach the stated objectives.
- A means for evaluating whether the learning objectives have been met.

The content is presented in a logical sequence, in units of information designed for easy retention by the student. Courses are strongly interactive in order to encourage comprehension, application and synthesis of the course material.

The student is able to control both the pace and the training path of the instruction. Competency may be demonstrated before, during or after instruction, allowing the student to focus on areas of non-mastery. The student is actively engaged in the learning and receives immediate and supportive feedback to reinforce the new knowledge. The interaction allows for identification with the task to be learned and offers immediate application of that knowledge to the student's job.

Screens in MindLeaders courses have extensive cognitive user interactivity, such as "click & go" responses, questions, simulations or exercises. This interactivity typically comprises 40%-70% of screens. The MindLeaders instructional design philosophy promotes interactivity as a means for confirming comprehension of material and moving the student towards assimilation and synthesis of the course material. This synthesis is encouraged with supplied files for the student to work through within the actual application, and simulations complete with step-by-step instructions and code blocks that can be copied into actual programs, compiled and run.

Further discussion of the instructional design philosophy may be found in the interactive presentation: [From Design to Delivery](#).

User-Friendly Interface

Design continuity is maintained from course to course with a uniform navigation structure. All courses play through standard browsers, such as Microsoft Internet Explorer and Netscape Navigator. This provides the student a familiar environment when first approaching the learning experience. Navigation is mouse driven and easily performed using course menu buttons in the top right corner of each screen.

Step-by-Step Simulations

Step by step practice simulations allow the student to assimilate the material and develop "mental muscle memory". The final step is for the student to synthesize the material in step-by-step live application exercises. The simulations and live applications provide a means for evaluating whether the learning objectives have been met. Simulations may be repeated as many times as necessary for a student to become comfortable with the material.

Skill Assessments

MindLeaders courses offer the student both pre and post course skill assessment to determine existing levels of knowledge on the various topics covered in the course. This gives the student the opportunity to determine areas of mastery and non-mastery. The student is shown their scores on screen at the end of the pre-test or at any point that

they choose throughout the course. Based on the pre-test, a custom learning path is created, giving the student the option to complete only the sections not previously mastered. This path can be taken for rapid learning or the student can choose to take the entire course. The pre and post course skill assessment questions include all varieties of answer formats including not only multiple choice and true-false questions, but also matching, text entry and multi-step task based simulation questions.

Navigational Features

The navigation menu gives students access to a variety of course productivity tools. These include the ability to navigate forward and backward by single screen rather than section, a dynamic course outline, an alphabetical index of key topics, a glossary defining technical terms and a master index supporting cross-course searches.

The Dynamic Course Outline provides a detailed list of topics covered in the course and allows the student to jump instantly to area of interest. The Alphabetical Index allows student to locate specific information by topic while viewing the course. The glossary offers a list of terms relevant to the course material. The Master Topics Index allows students to quickly review the topics and indexed items of all of MindLeaders courses and instantly go to the desired subject. MindLeaders is the first company to offer the Master Index feature to a web-based curriculum. Additionally, all courses provide global book marking on exit of the course, allowing the student to stop mid course and easily return to the appropriate spot to continue at a later date.

The Status Bar allows student to know the precise location of where they are in the course and the amount of material left in the course at all times. Students also have instant access to their personal scores for current course questions and skill assessments at any point throughout the course.

Technical Specifications

MindLeaders courses are designed specifically for efficient presentation while utilizing a minimum of system resources. The MindLeaders hosted course site is powered by an Oracle database. For client-hosted solutions, the database is a FoxPro compliant database within a Code Base program. Minimum system requirements are a Windows 95, 98, 2000 or NT operating system.

Minimum client configuration is a 200MHz Pentium processor with 32MB RAM running on Windows 95, 98, 2000 or NT. Client workstations will require a browser and the Macromedia Authorware Web Player plug-in is an optional, but encouraged download. Students will need Netscape Navigator or Internet Explorer 4.0 or higher and administrators will need Netscape Navigator 4.06 or Internet Explorer 4.0 or higher.

The entire MindLeaders library of over 700 courses takes less than 5 gigs of space on an intranet server.

Single Plug In Requirement

Macromedia Authorware Web Player (formerly known as Shockwave) is an encouraged, but optional download. All MindLeaders courses may be taken without the simulations if the Authorware player is not installed. The course material is the same, however, the student does not have the opportunity to work through the simulation exercises.

The Authorware Web Player is included on the CD-ROMs for client-hosted installations or is available as a download from the MindLeaders course sign-on page. The plug-in is approximately 4,400K and download time is estimated at approximately eleven minutes with a 200 Mhz machine and a 56K modem.

Upon initial sign-in to the Course section of the MindLeaders site, if the student does not previously have the Authorware Web Player installed on their computer, they will be prompted to download the plug-in. While the process itself is simple, detailed instructions are provided for each step of the download and installation process. The plug-in itself installs via an Installation Wizard.

Sound Not Required

MindLeaders courses do not use audio in any form. Many of MindLeaders' larger clients take advantage of MindLeaders multi platform capability and low desktop system requirements as they address the diverse needs of their agencies. MindLeaders believes in empowering its clients to capitalize on the advantages of the Internet and HTML based courseware without penalizing those with limited access to the latest technology. For this reason, MindLeaders has designed courses that are not dependent on audio.

Internet Site

MindLeaders has a state of the art system based at UUNet, one of the world's largest backbone providers. UUNet provides services to more than 70,000 businesses on five continents. In the event of failure on the primary system, there is a "hot" fail over system in Reston, VA ready to be activated.

The site uptime statistics for 2000 were better than 99.8% on an annual basis.

Bandwidth Ramifications

All MindLeaders courses are designed for maximum responsiveness and minimal bandwidth ramifications, working towards the objective of maximum delivery performance to the student desk top. Each page of a MindLeaders course is a separate file for each page, averaging approximately 16K-20 per screen. The average file size of a course is 10MB. Courses are written in raw HTML with streamlined graphics for quick load time. The design continuity of the courses supports the reuse of graphics such as the Navigation Bar and the course background. To further accelerate transition time graphics are preloaded into cache. While the student is reading the current screen, the next screen is being preloaded to minimize the changeover time to the next screen. Upon completion of the course, the cache is automatically emptied of all course specific material.

Implementation

MindLeaders has 20 years of experience in helping clients transition to technology based training and over four years in assisting clients transition to web based training. All MindLeaders courses listed in the current production line are ready for next day access via the Internet. Software for installation on a client-hosted site can be shipped within 48 business hours after the license has been signed.

Installation is minimal for MindLeaders hosted solutions, involving only the deployment of Authorware Web Player to workstations and the set up of the web administration utility to control student access. MindLeaders' Educational Services provides training on the web administration utility. Assistance most commonly involves telephone communication between client & Technical Support.

Transition to MindLeaders hosted courseware will involve the client providing students registration information and group designation in Microsoft Excel or Access format for import. Administrator history such as student progress & performance records from previous providers cannot be imported into the MindLeaders tracking program.

The installation of MindLeaders courses for client-hosted solutions is extremely straightforward. Typically, installation takes less than 4 man-hours or less than one full day for one technician. Assistance most commonly involves telephone communication between client & support staff to answer basic installation questions.

Stand Alone Courses

The stand-alone version of MindLeaders courseware allows a student to install courses and an Apache personal web server directly on their laptop and access the courses just as if they had access to the MindLeaders website. To accommodate a client's needs, the installation can take place from a network server or directly from the CD's. Course data can be exported with a click of the mouse. Data is then imported into the corporate MindLeaders installation using the new web administration import facility under the Options menu.

Minimum PC/Workstation Requirements

- 200MHz Pentium processor
- 16MB RAM
- 640x480 (800x600 recommended)
- High Color (16 bit) or higher
- Windows 95, 98, NT, or 2000
- Mouse

Browser Requirements

- Internet Explorer 4.0 or higher
- Netscape Navigator 4.0 or higher
- Browser set to accept cookies

MindLeaders Cookies

- Sign-On sets Student ID cookie
- Student ID cookie required for answering course questions & tracking student progress
- Cookie is deleted each time the browser is exited

Optional Plug in: Macromedia AuthorWare Web Player

- Easy Installation via Installation Wizard
- 4,400K
- Included on CD-ROM or available at www.mindleaders.com
- AuthorWare security option should be set to "Trust" mode

Minimum Web Server Requirements

- 200MHz Pentium processor
- 32MB RAM
- Web Server, such as Windows NT-Microsoft IIS or Microsoft Peer Web Services, Microsoft Personal Web Server, and Apache. UNIX Web Server such as LINUX 2.0.27, SunOS 5.5, AIX 4.1.5, BSDI 2.1, HP-UX A.09.08 9000/715, and Digital UNIX (OSF1) V 4.0.386 alpha
- Netscape Navigator 4.06 or higher or Internet Explorer 4.01 or higher
- 5 GB of disk space for course, system, and student data files.
- META Tags & Embed Tags should be enabled on client server

Firewall Issues

- No auto-execute files from streaming audio or video
- No Java applets writing directly to a hard drive
- MindLeaders courses are written in HTML

Bandwidth Information

- Average Screen size = 16K
- Bandwidth Impact: (the number of simultaneous users) X 16K (per screen file size) / 30 (seconds per screen)

Each user averages approximately .5 K per second

Support Teams

MindLeaders believes that a successful eLearning solution is not just courseware, but a continuing partnership between Commonwealth of Virginia and MindLeaders. MindLeaders is committed to that relationship. To this end, MindLeaders offers an ongoing relationship with the support team of Account Manager, Technical Support and Education Services. This team will work with Commonwealth of Virginia to provide a successful eLearning program specific to the needs of Commonwealth of Virginia and maximize the return on Commonwealth of Virginia's eLearning investment. This support includes:

- Monthly reviews and recaps via email by the Account Management Team
- Monthly phone reviews by the Account Management Team with appropriate Commonwealth of Virginia personnel
- Monthly and/or quarterly communication by the MindLeaders Education Services Consultant

Technical Support

MindLeaders technical support organization is tiered to accommodate all support calls. The technical support goal is to provide superior service in answer to questions or difficulties regarding any of the MindLeaders courseware. Consistently, technical support exceeds its 95% customer satisfaction benchmark.

The technical support organization has over 45 years experience in the support and customer service industry. Areas of experience include NT and Novell Netware network administration (supervisory duties, installations, and maintenance), installation/configuration of PC's and software, programming, quality assurance, web development, and developing/teaching instructor led training for mainframe and PC topics.

Qualifications of the Technical Support staff

- Associate degree in computer science or equivalent education.
- Minimum of two years experience in technical/customer support.
- Experience with DOS, Windows 3.x, 95, and 98, NT, PC/LAN, and Internet technologies.
- Strong attention to detail and organizational skills.
- Ability to be self-motivated and proven ability to learn quickly.
- Knowledge of UNIX, HTML, various web server software products, and SupportMagic.

Currently MindLeaders Technical Support is available between 8 a.m. to 8 p.m. Eastern Standard Time, Monday through Friday, exclusive of nationally recognized holidays. The first line of support for students is through email from the sign-on page of our web site or via a phone call.

When an email issue is received, it is assigned a tracking number and an email is returned to the student stating the issue has been received and will be tracked according to the ticket number. The student requiring technical support then will receive a second response from tech support to attempt to resolve the issue. Responses from Technical Support may be via email or via phone. During live support hours, the most common response time from technical support is within one hour.

MindLeaders telephone Technical Support for client administrators is available seven days a week, 24 hours per day, providing emergency pager callback for Customer's designated Courseware Administrator(s) within six (6) hours of receipt by MindLeaders of a documented support issue. Electronic troubleshooting for questions pertaining to the Courseware is available twenty-four (24) hours per day, seven (7) days per week by logging on to MindLeaders' website on the World Wide Web at <http://www.mindleaders.com>, and following the assistance prompts.

The MindLeaders Technical Support Escalation Process

1. All calls process through technical support. Any call escalated for resolution will return to technical support for contact with the customer.
2. Any courseware question that cannot be addressed within technical support is escalated to courseware development for resolution.
3. Any functionality question that cannot be addressed within technical support is escalated to software development for resolution.
4. Any product enhancement request is forwarded to development for future product consideration.
5. Any unresolved issues or unusual situations are escalated to corporate sales and the account manager for follow up.

Education Services

The role of Educational Services is to be a resource for the clients' training manager as Commonwealth of Virginia develops, administers, promotes and maintains an effective web based training program. Consultants fulfill this role by developing & executing an implementation plan tailored specifically for Commonwealth of Virginia. This plan will encompass training Commonwealth of Virginia administrators on the web administration utility, the crafting of an internal marketing campaign strategy and participation in on-site open house presentations. Education Services assigns a consultant to each client, but phone support is available from any Education Services team member.

Education Services resources available to Commonwealth of Virginia include: access to the internet based administrator resource center, a quarterly newsletter and monthly product and feature update notices, a marketing handbook, and sample flyers, posters, prizes for open houses. The client will also have access to MindLeaders' Learning hub. The Learning Hub is a site for client web administrators with information on promoting and marketing the MindLeaders product.

The Commonwealth of Virginia administrator, assisted by the MindLeaders Education Services consultant look at the requirements determined by the needs analysis and create a plan to best utilize the MindLeaders product to fulfill those functions. Typically, this includes handling internal marketing such as roll-out programs, email and posters to implement the new eLearning program. Other roles of the administrator include developing a positive reinforcement model for the program, evaluating the program progress and communicating with Commonwealth of Virginia managers to facilitate the program.

Throughout this process, the Commonwealth of Virginia administrator has regular contact with the MindLeaders Education Services consultant, access to the MindLeaders Learning Hub for client administrators and MindLeaders marketing materials.

Bridge the gap between instructor-led and self-paced training with

Instant Mentoring

MindLeaders offers you the best of both worlds...

Our empowering, engaging and effective e-Learning now comes with real-time access to subject-matter mentors 24 hrs./day, 7 days/week, 365 days/year. Students can use Instant Mentoring to clarify concepts, fine-tune solutions, confirm a process or simply seek assurance that they understand an application.

Coupling Instant Mentoring with our robust e-Learning platform allows students to adjust their training method as their need dictates...the best of both worlds. Web-based courses introduce new concepts and allow a student guided practice. Robust navigational tools such as a full-curriculum Search make it simple to find the appropriate learning path for new concepts. Now, Instant Mentoring provides the back-up to ensure complete understanding and synthesis.

Organizations benefit from more productive employees, reduced demands on the Help Desk and in-house experts, and a greater return on your training investment. Plus, you can eliminate the frustration and hesitation that often accompanies the introduction of new software programs. Mentoring is available directly from the MindLeaders site.

The Instant Mentoring (IM) feature will automatically be available when you log into the MindLeaders courseware. It will appear on the left hand side of your screen, be placed in a gray background and will refresh every 20 seconds. The IM feature cannot be turned off, however, you can minimize the screen to suit your daily learning needs. To MINIMIZE or MAXIMIZE the Instant Mentoring screen, simply drag the far right-hand side of the Instant Mentoring screen (the line where the gray background meets the blue background) to the left or right. Use the scroll bars to view up and down.

Save time with immediate access to hundreds of on-line books with the **MindLeaders Reference Library**

Need answers fast? In concert with our browser-based courses, MindLeaders now offers access to an online reference library hundreds of IT, desktop, business management and professional development topics, directly from our Web site. Employees can instantly search, browse and view the full content of hundreds of "best in class" books and journals from leading publishers such as AMACOM, ASTD Press, Berrett-Koehler, Harvard Business School Press, IDG Books, Jossey-Bass, O'Reilly, Oxford University Press, Que, SAMS and John Wiley & Sons.

There is nothing like it in any other information service of its kind. Our IT employees can retrieve specific answers, narrowed down to a precise sentence, in just a matter of seconds."

- Hewlett-Packard

MindLeaders Reference Library, powered by Books24x7, enhances a student's learning experience:

- Unlimited, instant access to incredibly powerful information
- Invaluable resource during and after a course
- Fully structured online content can be easily integrated into syllabi and courseware
- An essential reference tool, particularly after the course when a student is applying what they have learned
- Collaboration tools enable student-to-student communication
- Accessible worldwide via web browsers

Referenceware Features

Browser Based

Current Content

Graphics, Code, etc

powered by

books24x7.com

Powerful Search Capability

The MindLeaders Reference Library, powered by Books24x7, gives students access to up-to-the-minute content from leading publishers. The collections are updated quarterly to cover the latest topics. Users can search by keyword, topic, book or author and drill down into subtopics. Search results are ranked by relevancy and include a short synopsis and top section hits.

Each search result allows you to navigate at the chapter level with accompanied relevancy meters. The full text of the chapter is presented and key terms are highlighted for quick review. Links to companion sites are included for additional feedback.

Collaboration

Students can share key passages, coding examples or illustrations with other students using bookmarks. Shared bookmarks allow a student to quickly share an answer with fellow staff members selected from a list of fellow users that appears in the window. Private bookmarks allow a user to mark key passages for later referral.

Collections

Technical Select – 250 key IT topics that complement the MindLeaders courses

End User Select – 50 desktop topics that complement the MindLeaders courses

Combined Select – The combined Technical and End User Select collections

IT Pro – The complete and comprehensive IT collection with over 1,000 titles

Business Pro – Management and professional development

Collaboration tools let you easily share information with fellow employees

Instant Access	Powerful Reference Tool	Full Text On-Line
---------------------------	------------------------------------	------------------------------

Accessibility for Visually Impaired Students

Making computers accessible for visually impaired people is a key initiative of the federal government. Text-only versions of MindLeaders courses, designed for use with a screen-reading program, are available for visually impaired users. Students simply select the Accessibility link from the sign-on screen to use the text-only version of MindLeaders courses.

These courses are designed to comply with the amendment to Section 508 of the Rehabilitation Act, 29 U.S.C. §798, signed by President Clinton on August 7, 1998. As of this date, however, the Federal Government has not issued its final accessibility standards.

The Accessibility feature is available on all MindLeaders courses and requires no special set up by the administrator.

How to Navigate in the Course

Navigation in the text version of the course is similar to navigation in a word-processing document, using command keys such as the arrow and Num Pad keys. The N and P keys can be used to navigate to the next and previous topics, respectively.

Links at the top of each unit allow direct access to a topic. Each topic in the course is numbered to indicate its unit, topic, and section. Sub-section labels are preceded by an asterisk (*).

Using the Course with JAWS for Windows™

When using the JAWS for Windows screen reader, the virtual cursor will activate upon entry into the course. Use the arrow keys to navigate the course just as you would with the PC cursor.

Press control + F to activate the JAWS find function.

Press Alt + Tab to switch between the course and other windows, such as the glossary or Skill Assessment window.

Press Alt + F4 to close an open window.

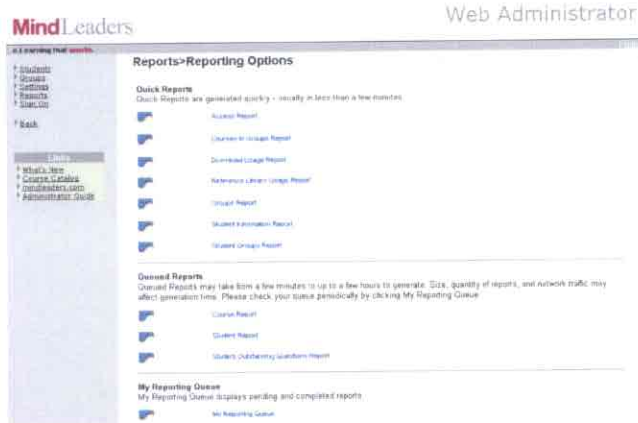

Press Alt + Delete to determine which cursor is active: the JAWS, virtual, or PC cursor.

Answering Questions

Links to course questions are shown throughout the course. Questions will open in a separate window. You can use Alt + Tab to switch between the question window and the course window.

Questions are presented as HTML forms, using radio buttons, check boxes, or text-entry fields. After the question is answered, submit the answer by tabbing to the submit button and pressing Enter. Feedback will indicate whether the answer was correct or incorrect, or, in some cases, will give a hint for a second try.

REPORTING WITH THE WEB ADMINISTRATOR

The MindLeaders' Web Administrator provides data on student and course usage and their scores to determine the effectiveness of the training. Client course administrators may use the web administration tools to run on demand reports evaluating various aspects of their students' performance and progress.

The web administration tool is menu driven and easy to use; typically the training session for the tool takes less than an hour. Reports can be printed to screen, printed to printer or exported to file. The tool is accessible from the MindLeaders' website and offers the following features:

- **Access Report:** Course usage for a given time period with totals by course
- **Course Report:** Usage by group/course/student with mastery and passing scores indicated and student/course totals by course
- **Courses in Groups Report:** Which courses are in which groups
- **Groups Report:** List of all available groups for this site
- **Student Report:** Usage by group/student/course with mastery and passing scores indicated and course/student totals by student
- **Student Information Report:** List of all students sorted by last name with e-mail address (if entered) and if a password has been created
- **Student Groups Report:** Students by group
- **Student Outstanding Questions Report:** List of questions unanswered by a student resulting in a zero score for that unit/course
- **Download Usage Report:** List of students that have used the download option for courses and which courses that have been downloaded
- **Reference Library Usage Report:** List of students that have used the Reference Library and which titles that have been accessed

Depending on the report selected, the report options include:

- **Report Note:** Report information entered by administrator
- **Courses/Students Per Page:** The number of entries per screen/page
- **Start/End Date:** Reporting period that report should select from
- **Include Student/Unit Details:** Option to include information on which courses were taken by a student and what units in a course were taken
- **Arrange By Site/Group:** Sorting options by site and group
- **Sort By Student Name/ID:** Sorting options by either Name or ID
- **Exclude Zero Courses/Introductory Courses:** Option to exclude data on courses that have no score or the introductory "How to Take a Course" course

Both student and/or course reports may be run on demand and information is available on a real time basis for up-to-the-minute reporting. A client administrator may define the ranges for a given report and these ranges may be changed at will. Arrangement of the report information may also be administrator defined and records may be sorted by either student name or ID. Either summary reports or detailed reports may be displayed to screen or printed to a TSV (Tab Separated by Value) file. The bottom of each report screen offers a forward/backward page option as well as the ability to jump to a specific page in the report.

Launch all your e-Learning from one site with

Web Admin Plus

MindLeaders web administration program now launches any AICC-compliant web-based training. If you have custom courses or more than one e-Learning vendor, you can use Web Admin Plus as your single launching source for all your students. Web Admin Plus will track student and course usage and record scores. An administrator can receive results from all their courses by running a single report at the mindleaders.com web site. A student can see results from all their courses from their MindLeaders transcript.

Internet Delivery

Web Admin Plus is Internet-only. All MindLeaders courses are launched from our Internet site. Custom courses and other vendor courses can reside on the client or content provider's web site and the link in the course list will point to that location. MindLeaders customers who are hosting our courseware and use a CodeBase version of Web Admin will be unable to use Web Admin Plus. MindLeaders will not host third party content.

Easy and Affordable

A training administrator will see the new courses in the list of available courses in Web Admin, and can assign these courses to groups just as they do for MindLeaders courses. Students belonging to groups containing 3rd-party courses will see these courses as bolded and intermingled alphabetically with MindLeaders courses in the MindLeaders course list.

The vendor name will appear in parentheses after the course name to differentiate it from MindLeaders offerings. When a student clicks a link to a 3rd-party course, a new window is opened and she is taken to the 3rd-party course. Web Admin Plus costs a fraction of the typical Learning Management System (LMS). Deployment is easy and straightforward and for many courses can be rolled out in just a few days. (Courses must meet the A.I.C.C. standard AGR-010_V1.0).

The screenshot displays the Web Admin Plus interface. At the top, it says "e-Learning that works." and "empowering engaging". Below this, there are two main sections: "My Courses" and "Other Available Courses".

My Courses: Includes links for "Select a course from the list." and "View your transcript."

MindLeaders Scores Big with Fair, Issac

When it came to developing a training strategy for its 1,600 employees in 20 offices worldwide, MindLeaders scored high with Northern California-based Fair, Isaac. Its comprehensive course menu and 24x7 availability has helped give the ASP (application service provider) leader and one of Forbes Best 200 Small Companies in America, a heads-up when it comes to one of its signature solutions--credit scoring.

In order to understand the role MindLeaders plays in bracing Fair, Isaac on top of the industry, it is important to have a good grasp of credit scoring---a complex data-driven mathematical process of evaluating the credit history of a consumer against specific criteria to generate a "score" that represents credit worthiness. Fair, Isaac employs analytic systems for credit card, mortgage, telecommunications, e-business, healthcare and other industries that size up potential borrowers. The company also developed the world's leading credit account management system, as well as scoring systems for small business credit granting and customer and prospect databases.

Sparking the scoring revolution back in 1956, Fair, Isaac has an impressive list of past and present clients, including: Barclays Bank, MCI/Worldcom, Orlando Regional Healthcare System, Deutsche Bank AG, Bell Atlantic, Damark International, Nordstrom, Bank of America, Sears Roebuck, Merrill Lynch, MobiFon, Telefonica de Peru, General Motors Acceptance Corp., Chase Manhattan Bank and Minnesota Mutual Insurance.

"We use analytic software that installs mathematics into clients' systems and other products, and puts decision engine capabilities as well as scoring capabilities into e-commerce settings, via either ASP mode or end-user software mode," explains John Martin, corporate learning manager.

Needless to say, keeping employees abreast of new technology is a huge challenge and top priority. "We recognized some time back that we needed 24x7 access to learning for our employees, that we needed just-in-time, rather than just-in-case technology training," emphasizes Martin. "We also needed the right amount of learning, not a 7-part, 23-hour course, where it turns out what you really needed was in the first 10 minutes. We needed to let people control their own pace of learning and curriculum."

MindLeaders Through the Web

Providing interactive, self-paced training through the Web, the MindLeaders solution enables the distributed employees of Fair, Isaac to cost-effectively access nearly 500 technical and professional topics any time of the day or night--or from any location in the world. The speed at which change is implemented today places even greater emphasis on the combination of convenience and state-of-the-art training, a one-two punch offered by MindLeaders.

"People were left much more on their own in our company. The rate of change for technical programming languages and other tools was much slower," says Martin when describing life in the training world 6 years ago when he first joined Fair, Isaac.

"Today, you may be a COBOL programmer one week, and the next week, we might need for you to learn the basics of relational databases and SQL. On top of that you might have to deepen your existing knowledge of UNIX and SAS, while developing new skills in Visual Basic. MindLeaders' comprehensive course list seemed to fit the Fair, Isaac training mold to a "T."

"We had a good idea of what our folks were likely to need for their jobs. MindLeaders' technical list had the greatest overlap with our needs," says Martin. "We use PCs, mainframes and the Web in our development work, and our clients use all sorts of systems, as well. Our employees have to be able to learn how to deal with all of it."

In addition to the UNIX and UNIX-derivative courses, employees can access everything from Visual Basic, to a range of Web tools such as HTML, Java and JavaScript. Although Fair, Isaac's relationship with MindLeaders is in its infancy---just 4 months old---Martin is impressed that the company has already

MindLeaders

e-Learning that **works**.

introduced an additional 16 technical courses. Many of those focus on a combination of tools, a plus in his multi-platform environment.

"For example, they have a lot of COBOL and MVS along with getting started with Java. We also have access to something like Photoshop, where the generic advantage to a Web-based provider is that we don't have to worry about whether we have enough people to justify the program."

With offices throughout the world, it would be a logistics nightmare if only one or two people from each office wanted to learn a particular program. Do you transport them all into one office? Do you hire individual trainers for each location? Martin explains that---pre-MindLeaders---if someone in their Birmingham, England, office decided that he or she needed to understand UNIX better, the company would have started spending money instantly to get that person the right training. Now the person can go as far as possible using MindLeaders' tools, and then if he or she decides additional training is still needed, the company can assess whether or not to bring in a tutor or use another learning tool.

"It's not so much that we are spending less, we're spending smarter and avoiding future expenditures that I think could have been pretty darn high," says Martin. What ultimately convinced him to choose MindLeaders? "Besides being economically competitive with other providers, we tried the courses out with trial users around the company and the tech courses got good marks for usability, learnability and appropriate learning objectives."

Fallon Advertising Finds a Mac Friend In MindLeaders

When Becky Swanson, IT training manager for Minneapolis-based Fallon Advertising, sought out a company that offered a wide range of online technical and end-user education, she found it impossible to make an apple-to-apple comparison.

With the core of her company---95% to be exact---using Mac computers, not PCs, to perform their duties, keeping them up to technical snuff became increasingly frustrating for Swanson. She searched every nook and cranny of the Web for a vendor that would veer off Main Street and into her corner of the Apple world.

Many vendors sent her on a wild goose chase, promising their product successfully worked on a Mac when using a specific plug-in. However, after extensive trial and tribulation, she found that most claims were false. "Either we couldn't read a file, or we couldn't launch an EXE file off a Mac, or we had to fiddle endlessly with each Web page," says Swanson. "I was told that Mac didn't offer that much of a market share and that vendors don't cater to the educational market."

But Fallon isn't in the business of educating; it's in the business of advertising with offices in Minneapolis, New York, and London. The bulk of the company's 500 employees can be found under the same roof as Swanson in Minnesota and about 100 can be found working in the Big Apple.

As one of the world's most critically acclaimed, creatively driven branding companies, Fallon manages the consumer voice of some of the world's leading brands. Fallon Worldwide is the newly formed second global network of Publicis Group, based in Paris and has almost 650 employees in Minneapolis, New York and London. With billings of almost \$1 billion dollars, the agency's clients include, among others: Minneapolis-BMW of North America, drugstore.com, EDS, Holiday Inn, International Truck and Engine Corp., The Lee Company, Nordstrom, Nuveen Investments, PBS, Ralston Purina, Starbucks Coffee Company, Timex and United Airlines.

After joining Fallon in November 1998, Swanson's first challenge was simply to bring consistency to both curriculum and structure in the instruction-led arena. Her first task encompassed a four-month long, company-wide migration from Claris, Mac-based office software, to what has become the standard, Microsoft Office.

Challenge No. 2? This summer her 95% Mac-based workforce will shift to a 60-65% PC-based environment, with the majority of artists continuing to work on the Apple platform. At the same time, they will be implementing Lotus Notes. Swanson expects the process to take 10 weeks, just for the Minneapolis office.

Without access to MindLeaders' online courses---ones that give trainees the opportunity to move at their own pace, on a 24x7 basis, and on their own turf---she would have been put in a very difficult, almost impossible, position. "We have no facility, no way of holding this scope of classes, no way of addressing immediate learning needs," says Swanson. "Our people are fast, impatient learners who want to do training at their own speed. Online, Web-based training gives them that opportunity."

A believer in putting a lot of choices on the table, Swanson plans to use a smorgasbord of training methods. "It's not a great idea to replace all instructor-led training with online courses. I think that if you offer lots of choices, people will choose what they need. Some prefer the social interaction of a class, to get away from the desk and ignore e-mails. Others are more comfortable learning on their own and don't mind ignoring phone calls, passersby or can do it in such a way that doesn't impact them."

Online classes cater particularly to those folks who need training immediately and can't wait until next week for a class, she says. Swanson says she taps into MindLeaders' entire curriculum, from end user courses to technical and web development. "We've got a lot of people who travel an awful lot. The advantage is that they can set up in a hotel room. I'm not suggesting that people do it on their personal time, but I would hope if they had the choice between bad cable TV or learning, they'd choose learning."

MindLeaders

e-Learning that **works**.

Swanson says one of the biggest winners to come out of MindLeaders' Internet-based courses is her 25-person IT department. One advantage to having a Mac shop is that it requires fewer technicians. However, that makes it nearly impossible for someone to take off an entire week to take a class on SQL for example.

The bottom line for Swanson: "When you think about having to hire the resources or build the room, or send people out for just the Office 2000 training (60% of the agency), we're saving hundreds of thousands of dollars."

And the fact that MindLeaders doesn't turn a deaf ear to the Apples of the world makes Swanson's job that much easier and less frustrating. Although a Mac-to-PC shift is in the works, "We need Web-based training to work here, and we plan to expand our offerings, but we will always need a solution that is cross-platform."

Setting the World-Wide Education Standard at SCC SoftComputer

Continuing education is the only way for a leading-edge software company to keep pace with rapid technological changes. Yet, with staff distributed throughout the world, SCC SoftComputer knew it required an education solution that provided fast, reliable access to a wide selection of courses—regardless of geography.

"In addition to administrative and support staff, we have over 200 programmers around the world building the latest products using the latest technology," says Don Keller, director of Educational Services. "It's vital that we provide easy access to comprehensive education no matter where our employees are located. With its self-paced, Web-based training, MindLeaders has more than met our requirements."

Providing interactive, self-paced training through the Web, the MindLeaders solution enables the distributed employees of SCC SoftComputer to cost-effectively access nearly 400 technical and professional topics at any time of the day or night—or from any location in the world.

About SCC SoftComputer

SCC SoftComputer is one of the fastest growing international developers of Information Systems specifically designed to meet the unique requirements of the multi-site healthcare environment. It designs and delivers software packages for a number of healthcare disciplines. The company also provides software tools and consulting teams to assist customers in implementing processes and applications such as accounts receivable, workload management and competency documentation. Yet, with staff distributed between its headquarters in Palm Harbor, Florida, and off-shore sites, the company actively pursued a Web-based solution that would deliver education to both technical and business personnel. "There was no way we were going to get involved with CD-ROMs," says Keller. "Web-based training was the only way to go for us. It's the quickest and fastest way for people to have access to education."

SCC SoftComputer first started out using the MindLeaders End-User courses to provide education for its Customer Service and administrative staff. These courses include topics geared toward gaining proficiency with MS-Word, Office 2000, MS-Windows as well as introductory courses included in the Concepts in Computing series. According to Keller, the driving reason for starting with End-User courses was to provide the opportunity for employees to build a basic computing skill set. "A lot of our people come from the medical field," he says. "They are medical technologists and not Information Technology professionals. Working with a computer is new for many of them and we need to make them feel comfortable. The End-User courses go a long way toward helping."

But the End-User courses represented only a portion of the education solution. The success of the MindLeaders courses, combined with expanding education requirements for distributed development teams, caused SCC SoftComputer to begin looking for a way to expand the scope of education availability.

"We needed to continue to expand our skills for design, networking and programming skills," says Keller. Again, SCC SoftComputer selected MindLeaders to help to expand and enhance skills, adding Technical Courses such as the GUI Design Series, Networking Essentials and the full spectrum of courses dedicated to C and Unix programming.

While keeping on top of the latest in technological advances is crucial for the successful development of new products, continuing education is just as crucial for the company's team of "road warriors" who travel between customer sites helping to implement the entire solution set of processes and tools.

"There's little opportunity for our professional services staff to return to the office or go to a classroom for training," explains Keller. "But they need to know about the different technologies employed at customer sites. With MindLeaders, they can take the courses they need whenever they want."

Setting and Meeting Standards

Although continuing education represents one method of investing in employees, SCC SoftComputer wants to ensure that each staff member gains more than just a passing knowledge in their respective fields. Instead, the company has established the necessary prerequisites and requirements for each course and, to ensure employees gain a thorough understanding of each topic, has set the passing grade for MindLeaders courses at 85-percent.

Administrative controls for the MindLeaders courses can prevent students from moving onto the next course if an established threshold is not met. "Our customers have high standards for our company and we need to establish the same high standards internally," says Keller. "Setting the mastery level at 85-percent ensures that each person taking the course is well prepared to move onto the next course in the topic."

But in addition to customers with high expectations, SCC SoftComputer, because it is so heavily involved in the medical field, also answers to a higher authority---the United States Food and Drug Administration(FDA). "The FDA regulates us and we must provide accurate reporting on how and when education has occurred," Keller emphasizes.

To accomplish this, the company automatically takes the course completion records for each employee from the MindLeaders class records and inserts them directly into the Human Resource records within the company's Educational Training and Competency (ETC) product---a tool it both uses and sells.

Easy Access and Customization

MindLeaders courses have become core education components for the company and provide the ideal mechanism for training and re-training within the specific disciplines established within the company. It has also enabled the Education Services group to help define a variety of curriculums based on departments. "People move between departments fairly often based on project requirements," Keller explains. "With the large number of MindLeaders courses, we can establish many different core classes that meet the needs of the different projects."

Equally important, because each course is written in standard HTML, Keller notes that the MindLeaders courses provide flexibility for customization. "We've added in additional help screens that discuss how the MindLeaders topics relate directly to our company," he says. "That flexibility better helps our employees to learn both the generic and explicit at the same time. MindLeaders is a powerful education solution that helps us deliver and support leading-edge software."

Web-based Innovation and Education by Worldspan®

How can a company best utilize the new technologies of the corporate Intranet and World Wide Web to cultivate and maximize the continuing educational development of its workforce?

That was a major challenge faced by the global electronic distribution company Worldspan when searching for a truly web enabled, interactive education solution that would not only allow employees to browse course offerings and complete course enrollment through the Intranet, but also provide their worldwide workforce access to both legacy and new technology application courses.

"Long before the buzz-words e-business and e-commerce were being used in boardrooms, we had the vision of developing and implementing a corporate Intranet that would facilitate both the administration and delivery of training for our employees," explains John Wilkinson, Worldspan's Technical Training and Business Support Manager.

"We first wanted our Intranet perfected so that all of the training administration functions could be processed through it efficiently," says Wilkinson. "Secondly, we wanted to contract a web-based, educational training company to supply technical and professional skilled courses on the Internet to employees at all different levels and on all different work schedules."

Visionary Solutions

Although Worldspan's vision was nothing short of revolutionary for the year 1996, they successfully implemented their training administration system on the Intranet by mid-1998 and then quickly focused on a short-list of vendors who could offer a better solution to the old CBT, time consuming, download to your hard drive, course style that had been the staple for technical and professional training.

The solution came from MindLeaders, providers of interactive, self-based training through the Web. The MindLeaders solution enables cost-effective access to a multitude of different topics at any time of day or night. All education is interactive and self-paced, allowing employees to learn what they need, whenever they need it.

"We were quite surprised at the vendors' varying definitions of web-based training," notes Mike Furlong of Worldspan's Technical Training and Business Development Department. "MindLeaders was the only company that had the right technical approach to web-based training." All the other companies simply directed you to their web site and had you download their static courses. MindLeaders was the only company to present a wide, comprehensive variety of courses (from PC to mainframe to soft skills), all in real-time, with 24x7 access and all accessible directly through their web-site."

Immediate Information Delivery

In addition to the functionality and user-friendly look of MindLeaders' courses, Wilkinson notes that the availability of their course offerings was a key selling point for Worldspan. It was imperative to Worldspan that scheduling conflicts did not limit anyone from the benefits of training, as traditional education methods had so frequently done in the past.

"What we like about MindLeaders above everything else is that our employees can access the course at home or at work, at any time of the day or night, regardless of their schedule or location. If we didn't have this flexibility, the system wouldn't be nearly as attractive to our organization," Wilkinson notes. "This is especially important in our industry where you have, for example, employees working second and third shifts at data and call centers. To have technical information delivered immediately and accurately on a global basis puts MindLeaders miles ahead of its competition."

The MindLeaders Choice

Equally important to Worldspan is the scope and depth of MindLeaders' course selections. Of great advantage to many industry sectors similar to the travel industry is the multitude of choice among courses that support the new, distributed, Web-based technologies as well as the technologies of legacy systems.

"Being able to offer supplemental training related to mainframe technologies like COBOL and CICS, as well as technical courses based on the Web such as FrontPage and Java, is paramount to our goal of empowering and improving our personnel," Wilkinson states. "And all levels of the company benefit in the end. The Technical Training Department is able to take advantage of the technical mainframe and technical web courses and our Sales and Human Resource departments can utilize the business skills development training."

With the MindLeaders URL link clearly highlighted on the company's Education Intranet homepage, Worldspan has placed a high value on the broadening of its employee's educational background. "The extent of MindLeaders' course selection empowers our staff to become more effective and increasingly valuable."

Innovation and Competitive Advantages

One of Worldspan's goals has been to ensure that travel agencies prosper in the Internet environment with strategically designed Internet strategies. Continuing employee education is recognized as part of this strategy whereby heavy investments in employees can result in a competitive edge for the company and the highest level of service for the customer.

As the provider of global electronic distribution travel information, Internet products and connectivity and electronic commerce capabilities for travel agencies, travel service providers and corporations in nearly 70 countries and territories worldwide, Worldspan relies on innovative and forward-thinking solutions throughout its business, making its decision to use MindLeaders logical.

"MindLeaders are true pioneers in their approach to Web-based training. Like us, they understood early on the many advantages of efficiently presented, interactive, self-paced courses through internal business networks and the Internet," Furlong explains.

Intelligence and Accessibility

In addition to providing access to courses through the Internet regardless of time and location, MindLeaders also has the unique ability to keep track of a student's progress and to resume a course right where they left off. There are no limitations as to when or where a course is started or ended. "Their intelligent technology ensures that you do not need to re-start a course from the beginning when you resume the course, nor do you have to worry about losing any information in between sessions," Wilkinson remarks.

Students also have the option of taking a preliminary test, to assess their knowledge of a particular subject, so that a custom learning path can be created. "MindLeaders compliments our corporate culture while helping release us from the limitations of traditional education and training, all in a cost-effective manner," Wilkinson notes.

Certification

MindLeaders offers quality training to help learners prepare for many information technology industry certifications. Certification track courses have been designed for MCSE, MOUS, CCNA, CCDA, CNE, and A+ certification.

Microsoft Certified Systems Engineer

The Microsoft Certified Systems Engineer (MCSE) credential is for professionals who analyze the business requirements and design and implement the infrastructure for business solutions based on the Microsoft Windows 2000 platform and Microsoft server software. MindLeaders offers an in-depth curriculum to help you prepare for the exams.

MindLeaders recognizes the tremendous benefits you can gain through MCSE and MCP certification, and has created courses to help you prepare for the Microsoft exams described here. After you have passed any one of the exams, you will be designated a Microsoft Certified Professional (MCP). By completing and passing a combination of core and elective exams, you will earn the designation of Microsoft Certified Systems Engineer (MCSE). Full certification requirements are located on the Microsoft Web site at www.microsoft.com.

Microsoft Office User Specialist

Microsoft offers the Microsoft Office User Specialist (MOUS) designation for professionals passing exams covering Office topics such as Access, Excel, Outlook, PowerPoint, and Word. Passing a MOUS certification exam demonstrates your mastery of one of the applications in the Office suite. MindLeaders courses assist you in attaining MOUS status. Full certification requirements are located on the Microsoft MOUS Web site at www.mous.net.

Cisco Certified Network Associate and Cisco Certified Design Associate

Cisco offers the Cisco Certified Network Associate (CCNA) designation to professionals passing exams covering the installation, configuration, and operation of simple-routed LAN, routed WAN, and switched LAN networks. The Cisco Certified Design Associate (CCDA) designation indicates a working knowledge of designing routed and switched networks involving LAN, WAN, and dial access services for networks with fewer than 100 nodes. MindLeaders offers courses to help you prepare for CCNA and CCDA certification exams. Full certification requirements are located at the Cisco Web site at www.cisco.com.

Certified Novell Engineer

Novell offers the Certified Novell Engineer (CNE) designation to professionals passing the CNE exam. The NetWare 5 Administration Test evaluates one's skill in network planning, installation and configuration, performing system upgrades, and managing network databases. The NetWare 5 Advanced Administration test evaluates one's skill in designing, configuring, and administering a complex NetWare 5 network. MindLeaders offers courses to assist you in attaining CNE NetWare 5 status. Full requirements are located at the Novell Web site at www.novell.com.

A+ Certification

CompTIA, the Computing Technology Industry Association, offers the A+ Certification exams, a testing program that certifies the competency of entry-level (six months experience) service technicians in the computer industry. The A+ Certification exams assess basic computer service and repair technology skills. MindLeaders, an approved CompTIA A+ Training Provider, offers courses to help you prepare for A+ certification exams. Full certification requirements are located at the CompTIA Web site at www.comptia.com.

Microsoft Certified Systems Engineer

The Microsoft Certified Systems Engineer (MCSE) credential is for professionals who analyze the business requirements and design and implement the infrastructure for business solutions based on the Microsoft Windows 2000 platform and Microsoft server software. MindLeaders offers an in-depth curriculum to help you prepare for the exams.

After you have passed any one of the following exams, you will be designated a Microsoft Certified Professional (MCP). By completing and passing a combination of core and elective exams, you will earn the designation of Microsoft Certified Systems Engineer (MCSE). Full certification requirements are located on the Microsoft Web site at www.microsoft.com.

MindLeaders Courses for the MCSE Core Exams

Windows 2000 Server

(Exam 70-215)

Time: 50 Hours

1. Installation
2. Hardware
3. Controlling Access to Files and Folders
4. Controlling Access to Web Resources and Printers
5. Optimizing Your Server
6. Recovering from Disaster
7. Configuring Disks and Volumes
8. Administering Disks
9. Networking Your Server
10. Implementing Remote Access
11. Implementing Terminal Services
12. Using Security Features

Windows 2000

Professional Series

(Exam 70-210)

Time: 42 Hours

1. Installation
2. Remote Installations and Upgrades
3. Administering Resources
4. Administering Shared Resources
5. Managing Disks
6. Managing Hardware
7. Monitoring and Optimizing Your System
8. Configuring Your Desktop
9. Networking with Windows 2000 Professional
10. Using TCP/IP
11. Managing Users and Groups
12. Securing Your System

Windows 2000 Active Directory

(Exam 70-217)

Time: 15 Hours

1. Preparing for Active Directory
2. Building an Active Directory Structure
3. Administering Active Directory Services
4. Managing Servers

Windows 2000 Network

Administration

(Exam 70-216)

Time: 11 Hours

1. Working with DNS and DHCP
2. Working with Remote Access
3. Working with Network Protocols

Windows 2000 Network Design

(Exam 70-221)

Time: 13 Hours

1. Analyzing Business Needs
2. Analyzing Technical Needs
3. Infrastructure Design

MindLeaders Courses for the MCSE Elective Exams

Exchange Server 5.5

(Exam 70-081)

Time: 54 Hours

1. Planning
2. Strategies
3. Installing
4. Configuring
5. Managing
6. Monitoring
7. Troubleshooting
8. Connectivity
9. Site Solutions

SQL Server 7 Admin

(Exam 70-028)

Time: 72 Hours

1. Security Strategy
2. System Requirements
3. Migration Planning
4. Replication Plans
5. Installing the Server
6. Other Installations
7. Configuring
8. Security Management
9. Managing Accounts
10. Managing Permissions
11. Database Management
12. Loading Databases
13. Backups and Restores
14. Managing Replication
15. Management Tasks
16. Monitoring Events
17. Watching and Optimizing
18. Server Repair
19. More Troubleshooting

Microsoft Office User Specialist

Microsoft offers the Microsoft Office User Specialist (MOUS) designation for professionals passing exams covering Office topics such as Access, Excel, Outlook, PowerPoint, and Word. Passing a MOUS certification exam demonstrates your mastery of one of the applications in the Office suite. MindLeaders courses assist you in attaining MOUS status. Full certification requirements are located on the Microsoft MOUS Web site at www.mous.net.

MindLeaders Courses for the MOUS Exams

Word 2000
(Core Exam)
Time: 20 Hours

1. Managing Documents
2. Working with Text
3. Formatting Paragraphs
4. Page Format and Printing
5. Tables and Other Objects

Word 2000 Expert
(Expert Exam)
Time: 20 Hours

1. Page Formatting
2. Managing Documents
3. Inserting Objects
4. Advanced Features
5. Workgroups

Excel 2000
(Core Exam)
Time: 28 Hours

1. Working with Cells
2. Working with Files
3. Formatting Worksheets
4. Page Setup and Printing
5. Worksheets & Workbooks
6. Formulas and Functions
7. Charts and Objects

Excel 2000 Expert
(Expert Exam)
Time: 21 Hours

1. Importing and Exporting Data
2. Working with Templates, Reports, and Report Manager
3. Formatting, Sorting, and Filtering Data
4. Naming Ranges, Working with Macros, and Customizing Toolbars
5. Validating and Auditing Data
6. Analyzing Data and Using Pivot Tables
7. Sharing Work and Adding Security

Access 2000

(Core Exam)

Time: 25 Hours

1. Creating Databases
1. Building Tables
2. Modifying Tables
3. Sorting and Filtering
4. Relationships & Queries
5. Building Forms
6. Producing Reports
7. Advanced Tasks

PowerPoint 2000

(Core Exam)

Time: 15 Hours

1. Presentations
2. Layout and Text
3. Graphics and Tables
4. Custom Slides
5. Showing Slides

Project 2000

(Core Exam)

Time: 21 Hours

1. Starting a Project
2. Scheduling Tasks and Adding Resources
3. Managing Work and Multiple Projects
4. Using Project Central
5. Customizing the Project
6. Creating Reports and Exporting Data

Word 97 and Excel 97

(Proficient Exams)

Time: 12 Hours and 11 Hours

1. Word Getting Started
2. Word: Formatting Documents
3. Word: Using Productivity Tools
1. Excel: Getting Started
2. Excel: Modifying Worksheets
3. Excel: Using Excel Tools

Cisco Certified Network Associate and Cisco Certified Design Associate

Cisco offers the Cisco Certified Network Associate (CCNA) designation to professionals passing an exam covering the installation, configuration, and operation of simple-routed LAN, routed WAN, and switched LAN networks. The Cisco Certified Design Associate (CCDA) designation indicates a working knowledge of designing routed and switched networks involving LAN, WAN, and dial access services for networks with fewer than 100 nodes. MindLeaders offers courses to help you prepare for CCNA and CCDA certification exams. Full certification requirements are located at the Cisco Web site at www.cisco.com.

Award will be based upon the Evaluated Cost (EC) which is the sum total of costs for the "Market Basket" of courses provided.

Multiple awards up to 5 may be made. Award will consist of the *entire* catalog of courses available from each selected bidder.

INSTRUCTIONS: On the following two worksheets, (Professional Development and Desktop Apps...) enter your firm's data per the following instructions:

(On the LISTING worksheet, enter all courses/products/services offered.)

NOTE: *Sample data, shown in red font color, has been inserted as a guide on each sheet.*

Enter your firm's name in the "COMPANY NAME" column.

Enter your firm's course data that most closely matches the provided titles.

Enter the course Delivery Medium, License and ID number or part number, as appropriate.

Enter your firm's bid price in the "BID PRICE" column. (NOTE: All prices must include IFA.)

Enter the Publisher's purchase price in the "Index Price" column. (Discount column is calculated from the Bid Price and Index Price)

Enter the Publisher's Index Document or website URL in the "INDEX Price Document/URL" column (where the published price for the course can always be found).

NOTE: The following are **mandatory** requirements for all course offerings, both those provided in the "Market Basket" list and those offered in your firm's LISTING Spreadsheet of all courses/products/services.

A PRICING SPREADSHEET		B Requested Course Title		C Delivery Medium		D Course ID #		E Bid Price		F DISCOUNT		G Index Price		H Index Price Document name/URL

What is Instant Mentoring?	Instant Mentoring gives web-based training students the ability to interact with subject matter experts 24 hours a day, 7 days a week. This can be used to clarify concepts, fine-tune solutions, or to seek assurance that they understand an application. I
Why Consider Instant Mentoring?	Instant Mentoring helps you to bridge the gap between self-paced and instructor-led training. It allows students to get answers to questions as they need them - just in time.
